SEED LIST

HENRY C. ANTHONY

Portsmouth, R. I.

Wholesale Grower of Choice
Vegetable and Field Seeds

~~As~~ We use the greatest care to furnish seeds that are pure and reliable; it must, however, be expressly understood that immunity from error being unattainable, and success more often dependant on climatic or local influences than is generally supposed, we warrant neither description, growth nor productiveness of any seeds we sell, nor will we hold ourselves in any way responsible for the crop; if the purchaser does not accept the seeds on these terms, they must be returned at once

Our Prices

Are fixed as low as possible for strictly High Grade Seeds—the best it is possible to produce. No matter how high a price you might pay, you could not get better seeds.
