BERRY, NUT AND FRUIT DEPARTMENT

BLACKBERRIES

Dallas—Drooping and somewhat thorny. Very vigorous, productive. Berry very fine. The most valuable market variety.

Robinson—Vigorous, upright brier. Berry very large, sells at highest price at market.

Price

10	\$.75
100	5.00

DEWBERRIES

Austin—Is the most widely known and grown of any dewberries in the United States. Very large, black berry. Fine shipper.

Lucretia—Strong brier and abundant bearer. Very large, jet black berry.

Price

Same as blackberries.

STRAWBERRIES

Klondyke—Bright, rich red. Very pleasing appearance. Fine shipper. Season, April and May.

Excelsior—One of the best early berries grown. Red, medium sized. Sells at the highest market price.

Price

100, postpaid	\$1.00
500, postpaid	3.00
1000, postpaid	5.50

CITRUS FRUITS

Citrus Trifoliata—Is the hardiest species of citrus known. It is deciduous, grows well in the open ground as far north as Washington, D. C. Can be used as a hedge, as it forms an impenetrable barrier to man or beast.

Price

	Each	10	100
2-3 feet	\$.25	\$2.00	\$15.00
3-4 feet	.30	2.50	20.00

Satsuma Orange—Pure strain from famous Owari, Japan. Is undoubtedly the hardiest known variety of edible orange. Its early ripening and fine quality, being seedless, make it an exceedingly valuable sort. Is the most important variety for the colder region of the Gulf coast country.

Price

	Each	10
2-2½ feet, well branched, 2 years.....	\$.75	\$6.00
2½-3 feet, well branched, 2 years.....	1.00	8.50
3-3½ feet, well branched.....	1.25	10.00
3-4 feet, 2 to 3 year specimen tree,		

*B. and B.\$2.00 to \$2.50

Louisiana Creole—Sweet and juicy. Rind very thin. Size, medium to large, round. Flavor, rich, vinous. Keeps and ships well.

*B. and B.—Balled and burlapped.

BERRIES, NUTS AND FRUITS

Price

Same as the Satsuma.

Duncan Grapefruit—Of large size; peel tough and smooth. Fine quality. One of the hardiest varieties.

Price

Each

2-3 feet, well branched, 2 years..... \$1.00

Ponderosa Lemon—An exceptionally large lemon, fruit weighing from 1½ to 2½ pounds. Fine quality. Bears when quite young and produces very good crop. Makes a fine ornamental tree.

Price

2-3 feet, well branched, 2 years.....\$1.00 each

KUMQUATS

Nagami—Fruit oblong, about 1½ to 2 inches in length and 1 inch in diameter. Fruit bright yellow, very juicy, of fine flavor. Fine variety for preserving.

Neiha—A variety introduced by us from Japan a few years ago. Fruit large, round, golden yellow. Skin very smooth. Juicy and sweet. Hardy and very prolific.

Price on Above Two

	Each	10
1-1½ feet, bushy, 2 years.....	\$.75	\$ 6.50
1½-2 feet, bushy, 2 years.....	1.00	8.50
2-2½ feet, bushy, 2 years.....	1.25	10.00
2½-3 feet, bushy, 2 years.....	1.50	
2-2½ feet, 2 years, with fruits, B. and B.	1.75	
2½-3 feet, 2 years, specimens with fruits, B. and B.	\$2.00 to \$2.50	

Marumi—The hardiest of the kumquat family. Prolific bearer. Fruit smaller than either of the others.

Price

Each

2-2½ feet, 3 years, bushy specimen, B. and B.....\$1.75
2½-3 feet, 3 years, bushy specimen, B. and B..... 2.50

FIGS

Brown Turkey—Fruit large; skin brownish red with blue bloom; pulp sweet and good. Prolific and hardy variety.

Celeste—Fruit, small to medium; pear-shaped. Violet colored. One of the hardiest varieties. Very desirable for table and home canning.

Magnolia—Fruit large, light colored and handsome; very firm. Vigorous grower and prolific bearer. Excellent for preserving. This variety is used almost exclusively by the Texas canners.

Price

	Each	10	100
1-1½ feet	\$.25	\$2.00	\$17.50
1½-2 feet	.30	2.50	22.50
2-3 feet	.40	3.50	30.00
3-4 feet, branched	.50	4.50	40.00
4-5 feet, branched	.70	6.50	

BERRIES, NUTS AND FRUITS

ELAEAGNUS (Oleaster)

E. Longipes—A very ornamental shrub of low spreading habit, producing in spring scarlet fruits of nearly half an inch. Leaves, silvery. Flowers, yellowish-white and fragrant. The fruit is edible.

	Price	Each
3-4 feet, bushy.....		\$.50

E. Umbellata—With yellowish silvery branchlets; flowers yellowish white and fragrant. Fruits scarlet, smaller than the above, ripening late in fall.

	Price	Each
3-4 feet, bushy.....		\$.50

GRAPES

Concord—Color, blue-black. Size large; sweet and tender. Ripens in July.

Moore's Early—Very large black grape, resembling Concord, but earlier.

Niagara—Pale yellow; flesh tender and sweet. One of the best.

Scuppernong—Muscadine type. Bunches of eight or ten very large berries. Ripens in August and September.

	Price	Each	10
1 year, No. 1		\$.35	\$3.00
2 year, No. 1		.40	3.50

JAPAN PERSIMMONS

Ormond—Fruit small to medium. Quality very good. Ripens late (December). May be kept for a long time after being gathered.

Hyakume—Almost seedless; fruit very large, 3¾ to 4 inches long. Fine quality. Skin, dark bright red.

Tamopan—Fruit large to very large, often weighing one pound each; astringent until fully ripe. Quality fine. A vigorous grower.

Tane-Nashi—Large to very large; roundish. Skin, light yellow, changing to bright red. Vigorous and prolific. The most desirable market variety.

	Price	Each	10
3-4 feet, 2 years		\$.75	\$ 7.00
4-5 feet, 2 years		1.00	9.00
5-6 feet, 2 to 3 years, specimen		1.50	12.50

MULBERRIES

Ironclad—A very hardy variety of mulberry which has resisted the cold in Texas for many years. Fruit large, sweet and desirable. Prolific. Tree very vigorous and shapely; makes fine shade tree for walks as well as for poultry and swine yards.

Russian—A variety well adapted to the Gulf coast country. Stands drouth and cold. Better as shade tree, being shy bearer.

	Price	Each	10
3-4 feet		\$.35	\$3.00
4-6 feet		.50	4.50
6-8 feet		.75	6.50

BERRIES, NUTS AND FRUITS

JUJUBE (*Zizyphus Sativa*)

The fruit resembles apple in taste; in size and shape, olive. When properly preserved in sugar, is similar to and equally appetizing as the imported dates.

	Price	Each
1-2 feet		\$.30
2-3 feet		.40
3-4 feet		.50
4-6 feet		.75

PEACHES

Alexander—Fruit large, highly colored, juicy, vinous; of fine quality. One of the earliest of the Persian type, ripening about June 1st. Cling.

Belle of Georgia—Very large. Skin white with red cheek; of excellent flavor. Very showy. Free stone. Early July.

Carman—Of large size, resembling Elberta in shape. Skin pale yellow, with deep blush. Of fine flavor. Prolific bearer. Middle of June. Free stone.

Greensboro—Of good size, nearly round. Skin highly colored; bright red over yellow. Very juicy, and of fine quality. About June 1st. Semi-cling.

Mayflower—Large; well colored—red all over. Of fine quality. Cling. Its earliness, high color and excellent quality are strong points in its favor.

Pallas—Good size, nearly round; deep red, dotted with salmon. Flesh white with a vinous aroma. Succeeds well along the Gulf coast and South Texas. About latter part of June. Free stone.

Honey—Medium size. Flesh creamy white, fine, juicy, melting, with a peculiar, honeyed, rich sweet flavor. Quality excellent. Free stone. About June 5 to 20.

	Price	Each	10
3-4 feet		\$.50	\$4.50
4-5 feet		.60	5.50
5-6 feet		.75	7.00

PEARS

Garber—Fruit resembles the Keiffer in size and appearance, but more juicy and not so hard. Comes in ahead of the Keiffer. Fine quality.

Keiffer—Fruit large to very large; skin yellowish with bright vermillion cheek. Flesh brittle; good pear for preserving.

Le Conte—Fruit large to very large, pyriform. Skin smooth, pale yellow. Season, July. A table pear.

	Price	Each	10
3-4 feet		\$.50	\$4.50
4-5 feet		.75	7.00
5-7 feet, 2 year, branched.....		1.00	8.50

PECANS

Schley—Size medium to large, 1½ to 1¾ inches long; oblong, somewhat flattened; light reddish brown; shell thin, separating easily from the kernel; kernel full, plump, bright in color; flavor rich, nutty; quality best.

BERRIES, NUTS AND FRUITS

Stuart—Nuts large to very large; $1\frac{1}{4}$ to 2 inches long; oblong, brownish shell, strongly marked with dark color. Shell of medium thickness and of very good cracking quality. Kernel full, plump, bright-colored. Heavy bearer.

Success—Size large, oblong, tapering to the apex. Color reddish brown, purplish markings. Shell thin, cracking quality good, partition thin; kernel large, full, plump, yellow; flavor sweet; quality very good. The tree is a good grower.

Van Deman—Large to very large, from $1\frac{7}{8}$ to $2\frac{1}{8}$ inches long. Rather slender, pointed at both ends. Color reddish brown, with purplish brown markings. Shell of medium thickness; cracking quality excellent. Kernel bright, plump, sweet.

Curtis—A medium sized nut, with bright, clean shell, marked with a few purplish specks; ovate, round at base, pointed at the apex; shell very thin; cracking quality excellent; kernel light yellow, plump and full; rich, sweet, nutty flavor; quality best. A desirable nut for home use or market. A regular bearer.

Delmas—Size large, ovate; dark gray in color, marked with specks and streaks; shell medium thick; cracking quality good; kernel bright yellow; flavor sweet; quality good; early bearer.

Money-Maker—Size medium, oblong. Texture firm, solid; flavor sweet and quality very good.

	Price	Each	10
2-3 feet		\$1.00	\$ 8.50
3-4 feet		1.20	10.00
4-5 feet		1.50	12.50
5-6 feet		1.75	15.00

Price of Native Pecan Seedling

	Each	10	100
3-4 feet	\$.35	\$3.00	\$25.00
4-5 feet	.50	4.00	35.00
5-7 feet	.65	5.00	45.00

PLUMS

Burbank—Size large to very large; dark red; flesh deep yellow, juicy, sweet, firm; pit small; cling; quality one of the best.

Abundance—Medium to large; flesh greenish yellow, juicy, sweet or slightly sub-acid; pit small; cling; quality best; prolific; strong grower.

Persian Purple-Leafed (*Prunus Pissardii*)—Fruit medium, round; color of fruit and flesh, crimson; quality good; cherry flavored. Tree a good grower; valuable as an ornamental, as it retains its vivid purple foliage until late in the season.

Red June—Fruit medium to large, very showy; flesh light yellow, firm, moderately juicy, sweet or slightly sub-acid; pit small; cling; flavor pleasant; quality very good. Tree vigorous and prolific.

Gonzales—A cross between an American and Japanese plum. A heavy bearer. Fruit large and red; ripens in early June.

Wickson—Strong upright grower. Very large, yellow, red-cheeked plum. Heavy bearer. July.

BERRIES, NUTS AND FRUITS

	Price	Each	10
2-3 feet		\$.50	\$4.50
3-4 feet		.70	6.50
4-6 feet		.85	8.00

Prunus Glandulosa, Koume—A dwarf bushy plum. Fruit, small and velvety. Pink flowers in abundance in spring. Makes very fine ornamental shrub. Free from root-knots or gum disease.

	Price	Each
1½-2 feet, bushy		\$.50
2-2½ feet, bushy		.75

POMEGRANATES

Purple-Seeded—Fruit large; thin rind; juice cells dark ruby or wine red. Very prolific. The best for general planting.

	Price	Each	10
2-3 feet, well branched.....		\$.30	\$2.50
3-4 feet, well branched.....		.40	3.50
4-5 feet, well branched.....		.60	5.00

Dwarf Pomegranate—Very dwarf but bushy. Fruit smaller; constant bloomer. Makes fine ornamental shrubs. It was introduced from Japan by us a few years ago.

	Price	Each
1-1½ feet, B. and B.....		\$.75
1½-2 feet, B. and B.....		.85
2-3 feet, B. and B.....		1.00

WALNUTS

English Walnut—Nut large, oblong; shell thin; of fine quality; seedlings imported from France.

	Price	Each
1-1½ feet		\$.50
1½-2 feet		.75
2-3 feet		1.00

Japan Walnut—They bear young; hardy; grows low and spreading. Well adapted to the climate of the coast country.

	Price	Each
3-4 feet		\$.75

Black Walnut—The nuts, though thick-shelled, are rich, oily and sweet. Its beautiful form and adaptability to our climate make it a good ornamental shade tree.

	Price	Each	10
1-1½ feet		\$.35	\$3.00
1½-2 feet		.50	4.00

TROPICAL AND SUB-TROPICAL FRUITS

BANANA (Musa)

Orinoco (Horse Banana)—A strong growing variety, producing large plants; bunches not large. Very hardy along the Gulf coast generally.

BERRIES, NUTS AND FRUITS

	Price	Each	10
Small sucker		\$.40	\$3.50
Medium sucker		.50	4.50
Large sucker		.75	6.50

GUAVAS

Jelly Guava—Flesh dark pink; a heavy, regular bearer and thrifty grower. Makes also fine ornamental tree, being evergreen with thick, bright, shining leaves.

	Price	Each
2-2½ feet, in pot, very bushy.....		\$1.50

LOQUAT (*Eriobotrya Japonica*)

The loquat is a strikingly handsome, large-leaved evergreen tree, with its fruit about the size of a wild goose plum, bright yellow in color, and having an agreeable flavor. A fine ornamental tree.

	Price	Each
Seedling, in pot		\$.50

PINEAPPLE GUAVA (*Feijoa Sellowiana*)

A valuable new fruit related to the Guava, but much hardier. The fruit rough in appearance, of greenish color; sub-acid; size, 1½ to 2 inches in length. It also makes a good ornamental tree in the coast country, being evergreen and hardy.

	Price	Each
1-year, bushy, 1-1½ feet, B. and B. or in pot.....		\$.75
2-year, bushy, 1½-2 feet, B. and B.....		1.25

NUTS AND FRUITS OF LATE INTRODUCTION BY LUTHER BURBANK

CHESTNUT

Miracle Chestnut—This most remarkable of all the chestnuts has been introduced by Luther Burbank, "the plant wizard," of Santa Rosa, Cal. It bears nuts in the second year from seed.

	Price	Each
1-1½ feet, 2-year, branched.....		\$.75
1½-2 feet, 2-year, branched.....		1.00
2-2½ feet, 2-year, branched.....		1.25
2½-3 feet, 2-year, branched.....		1.50

CHINESE FRUITING HAWTHORN

A very beautiful small tree bearing great quantity of bright crimson fruits as large as large olives, which is excellent for jams, jellies, etc. The foliage is very brilliant during the fall. This is also an introduction of "the plant wizard."

	Price	Each
3-3½ feet, 2-year.....		\$1.25
3½-4 feet, 2-year.....		1.75

ORNAMENTAL DEPARTMENT

ROYAL WALNUT

The most rapid growing, hardwood timber tree, as well as stock for all the soft-shell walnuts. Another late introduction of Luther Burbank. Does well on well-drained, moist soil.

	Price	Each
10-12 inches		\$.50
12-18 inches		.75

ORNAMENTAL DEPARTMENT

EVERGREEN TREES AND SHRUBS

ABELIA GRANDIFLORA

A beautiful evergreen shrub, with dark green, glossy leaves, becoming bronze-colored in winter. Flowers, white, funnel-shaped, tinged with pink, delicately sweet-scented, borne in clusters from early spring until late autumn. Can be made the most satisfactory hedge plant by being pruned flat or rounded on top.

	Price	Each	10
1-year		\$.50	\$4.50
2-year		.75	7.00
3-year, bushy, B. and B.....		1.50	12.50
Specimen, B. and B.....	\$2.00 to \$2.50		

ARBORVITAE (Biota, Thuya)

Beautiful evergreen shrubs of compact, symmetrical growth; especially suited for formal plantings. Varieties here listed are adapted to our Southern climate and soil.

Biota Aurea Conspicua—Foliage deep yellow to golden color. Very symmetrical; tall and upright.

	Price	Each
1-1½ feet, B. and B.....		\$.75
1½-2 feet, B. and B.....		1.00
2-2½ feet, B. and B.....		1.50
2½-3½ feet, B. and B.....		2.00

B. Aurea Nana (True Berkman's)—A dwarf, golden variety with very compact, rounded head. Very handsome. Slow grower.

	Price	Each
10-12 inches, B. and B.....		\$.75
12-16 inches, B. and B.....		1.25

We have very large specimen trees of 5 to 6 feet in the above variety. Prices on application.

B. Compacta—Handsome, compact form with dark green foliage. Splendid for lawns, etc.

	Price	Each
1-1½ feet, B. and B.....		\$1.00
1½-2 feet, B. and B.....		1.50
2-2½ feet, B. and B.....		2.25
2½-3 feet, B. and B.....		2.75

B. Filiformis—A Japanese variety with thread-like foliage; a distinct novelty. The drooping foliage is very unique and handsome.

ORNAMENTAL DEPARTMENT

	Price	Each
3½-4 feet, specimen, B. and B.....		\$4.00
4-foot specimen tree, B. and B.....		6.00

B. Orientalis (Chinese)—Tall and upright; growth easy and rapid; will grow anywhere. Fine for screens and windbreaks, etc.

	Price	Each	10
1-1½ feet, not balled.....		\$.30	\$2.50
1½-2 feet, not balled.....		.35	3.00
2 -3 feet, not balled.....		.50	4.00
3 -4 feet, not balled.....		.75	6.50
4 -5 feet, not balled.....		1.25	

We have large specimen plants, 7 to 10 feet. Prices on application.

B. Golden—A compact but somewhat cone-shaped plant. This is one of the finest golden varieties, always retaining its beautiful golden color.

	Price	Each
2-2½ feet, balled.....		\$2.50
2½-3 feet, balled.....		3.00
3-3½ feet, balled.....		4.00
3½-4 feet, balled.....		5.00
4 - 5 feet, balled.....		\$6.00 to \$7.50

Prices on fine, large specimen trees on application.

B. Pyramidalis—A form of the pyramidal arborvitae, which keeps its bright green foliage during winter; of compact habit. Ultimate height, 15 feet.

	Price	Each	10
1-1½ feet, not balled.....		\$.75	\$ 7.00
1½-2 feet, not balled.....		1.00	9.00
2-2½ feet, not balled.....		1.25	10.00
2½-3 feet, not balled.....		1.75	16.00
3 - 4 feet, not balled.....		2.50	
4 - 5 feet, not balled.....		3.50	

B. Aurea Pyramidalis (Golden Pyramidal Arborvitae)—Same form as the above, with golden foliage.

	Price	Each
2-2½ feet, not balled.....		\$1.50
2½-3 feet, not balled.....		2.00
3 - 4 feet, not balled.....		2.75

Rosedale Arborvitae—Of compact, rounded, symmetrical form, with very dense head. The foliage is dark bluish green and very handsome. Very desirable for lawn.

	Price	Each
12-16 inches, B. and B.....		\$1.00
16-20 inches, B. and B.....		1.50
20-24 inches, B. and B.....		2.00

Tom Thom's Arborvitae—A very dwarf, foliage somewhat resembling Rosedale. Desirable where low effect is required.

	Price	Each
1½-2 feet, B. and B.....		\$1.00
2-2½ feet, B. and B.....		1.50

ORNAMENTAL DEPARTMENT

BEEFWOOD, SHE OAK (Casuarina)

Remarkable for its rapid, upright growth in warmer region. Very unique on account of its evergreen, slender, reed-like branches. It will endure brackish and alkaline soils and considerable drouth.

Price	Each
3-4 feet, balled.....	\$1.50
4-5 feet, balled.....	2.25

BOX TREE, or BOXWOOD (Buxus)

Buxus Japonica, "Japan Box"—Beautiful shrub of slow, compact growth. Leaves small, broad and light green. Extensively used for hedges. Useful as tub plants.

Price	Each
6- 8 inches, balled.....	\$.50
8-10 inches, balled.....	.75

B. Sempervirens, "Boxwood"—Formal shrub of dense, slow growth; when trimmed into architectural shapes, they are unsurpassed as specimen plants for porch or lawn decoration.

Price	Each
10-12 inches, balled.....	\$1.00
12-14 inches, balled.....	1.25
14-18 inches, balled.....	1.50
18-22 inches, balled.....	1.75
22-24 inches, balled.....	2.00
24-30 inches, balled.....	\$2.50 to 3.00
30-36 inches, balled.....	3.00 to 5.00

Have some specimens established in pots. Ask for prices.

Golden-Tipped Box Tree (*B. Sempervirens Elegans Variegata*)—Leaves conspicuously variegated with golden yellow, when making new growth. Very fine and desirable.

	Each
10-12 inches, balled.....	\$1.25
12-14 inches, balled.....	1.50
14-18 inches, balled.....	1.75
18-24 inches, balled.....	2.00

BOTTLE BRUSH (Callistemon)

This is a very interesting shrub, reaching a height of 6 to 10 feet, with long, narrow leaves and bright, red flowers in thick spikes, resembling bottle brushes. Leaves aromatic.

Price	Each
1-1½ feet, balled	\$1.00
1½-2 feet, balled	1.50

BUTTERFLY BUSH (Chinese Buddleia)

A charming shrub with very dark leaves and flowers of violet purple in dense arching racemes, 4 to 8 inches long.

Price	Each
2-year plant, balled.....	\$.75 and \$1.00

ORNAMENTAL DEPARTMENT

STRAWBERRY SHRUB

(*Calycanthus Floridus*, *Butneria Florida*)

A desirable and widely cultivated plant for its large, fragrant, reddish-brown blossoms.

	Price	Each
Strong plant	\$.50	and \$.75

CAMPHOR TREE

This is a rapid growing tree of handsome, symmetrical and compact growth, with bright green foliage, and will make an excellent shade, windbreak, hedge and ornamental tree.

The bare root trees will have to be very severely pruned before shipping.

	Price	Each	10
6-12 inches, seedlings, not balled.....	\$.15		\$ 1.25
2-3 feet, bushy, transplanted, not balled	.75		7.00
3-4 feet, bushy, transplanted, not balled	1.00		9.00
4-5 feet, bushy, transplanted, not balled	1.25		11.00
5-6 feet, bushy, transplanted, not balled	1.75		16.00
6-7 feet, bushy, transplanted, not balled	2.50		22.50
7-9 feet, bushy, transplanted, not balled	3.25		30.00

Prices on larger specimen trees on application. Have many specimen trees on hand.

Prices on Balled and Burlapped Specimen Trees

	Each	10
3-4 feet, standard or pyramidal.....	\$2.00	\$19.00

5-6 feet, standard or pyramidal.....	3.75	35.00
6-7 feet, standard or pyramidal.....	5.00	45.00
7-8 feet, standard or pyramidal.....	6.50	60.00

Prices on larger specimens on application.

CAMELLIA JAPONICA

An evergreen shrub of the well known merits; leaves are shiny, dark green. Flowers are very beautiful. Requires moist soil.

	Price	Each
8-10 inches, in pot.....		\$.75
10-12 inches, in pot.....		1.25

CAPE JASMINE (*Gardenia*)

The popularity of these beautiful evergreen shrubs can hardly be surpassed on account of the wonderful fragrance of their showy, white blossoms. They are fine house plants as well, when potted.

Gardenia Jasminoides (*G. Grandiflora*)—The double, waxy flowers which are exquisitely fragrant, are greatly in demand, especially for the Decoration Day in the North.

G. Fortunei—Large flowered Cape Jasmine. Flowers larger than those of the above variety and blooms earlier.

G. Japonica—A single flowering variety. Hardier and earlier bloomer than the above two.

ORNAMENTAL DEPARTMENT

Prices for the Foregoing Three

	Each
1-1½ feet, bushy, B. and B.....	\$.75
1½-2 feet, bushy, B. and B.....	1.25
2-2½ feet, bushy, B. and B.....	1.75

CHINESE YELLOW JASMINE

J. Primulinum (Chinese Yellow Jasmine)—A valuable and very recent introduction. Flowers are primrose-yellow, very large and usually double. Evergreen. It is semi-climber and can be used as very desirable fence cover.

	Price	Each
Medium plant		\$.50
Large plant		\$.75 to \$1.50

CINNAMON TREE (*Cinnamomum*)

C. Cassia—Medium sized tree, with yellowish green foliage and bark, in which the characteristic cinnamon odor is strongly marked. About as hardy as camphor.

	Price	Each
1-1½ feet, balled.....		\$1.25
1½-2 feet, balled.....		1.75

CYPRESS (*Cupressus*)

Majestic Cypress—Tall, vigorous growing species of pyramidal form with horizontal branches; foliage grayish green; splendid for single specimen.

	Price	Each
2-3 feet, balled and burlapped.....		\$1.00
3-4 feet, balled and burlapped.....		1.25
4-5 feet, balled and burlapped.....		2.00
5-6 feet, balled and burlapped.....		2.75
6-7 feet, specimen trees.....		4.50
7-8 feet, specimen trees.....		\$6.00 to 7.50

ORNAMENTAL DEPARTMENT

Arizona Cypress—A beautiful bluish-green cypress of pyramidal form from the mountains of Arizona and Northern Mexico. This is especially suitable to the hot, dry section of the interior.

Price	Each
5 feet, specimen, balled and burlapped.....	\$5.00
6 feet, specimen, balled and burlapped.....	6.00
7 feet, specimen, balled and burlapped.....	7.50

Italian Cypress (*Cupressus Sempervirens Pyramidalis*)—The true Italian cypress of the well known popularity; most desirable where a formal effect is needed.

Price	Each
2-2½ feet, balled and burlapped.....	\$1.50
2½-3 feet, balled and burlapped.....	2.00
3-3½ feet, balled and burlapped.....	2.50
3½-4 feet, balled and burlapped.....	3.00

MONTEREY CYPRESS (*Cupressus Macrocarpa*)

The well-known native Californian Cypress. Leaves resembling Arizona cypress, but longer.

Price	Each
2-3 feet, balled.....	\$.75
3-4 feet, balled.....	1.25

EUONYMUSES

Euonymus Japonicus—A useful ornamental shrub with glossy, green foliage; of easy culture. It may be trimmed into a beautiful, compact specimen, or used as a hedge plant.

Price	Each	10
8-12 inches	\$.25	\$2.25
12-16 inches	.35	3.00
16-22 inches	.50	4.50
22-30 inches	.75	7.00

E. Japonica Argentea Variegata (Silver Variegated Euonymus)—Leaves are edged and marked with white.

Price	Each
8-10 inches, balled.....	\$.50
10-12 inches, balled.....	.75
12-18 inches, balled.....	1.00

E. Japonica Aurea Variegata (Golden Variegated Euonymus)—Leaves green, golden-yellow in the center; of strong, robust habit of growth.

Price	Each
8-10 inches, balled.....	\$.50
10-12 inches, balled.....	.75

E. Japonica Viridi Variegata (Duc de Anjou)—Leaves with markings of light green and pale yellow in the center. A strong and very satisfactory grower. The best yet introduced.

Price	Each
8-10 inches, balled.....	\$.50
10-12 inches, balled.....	.75
12-18 inches, balled.....	1.00

ORNAMENTAL DEPARTMENT

E. Pulchellus—A small and dwarf form of *Euonymus*, with small, dark green leaves; excellent for small border or low hedge. Potted or balled.

Price	Each
6-8 inches, in pot.....	\$.35 to \$.50

E. Radicans Argentea Variegata—Beautiful, trailing shrub. Foliage, light green with silvery edges.

Price	Each
8-10 inches, balled or potted.....	\$.50

EUROPEAN HEATH (*Erica Carnea*)

A low-growing shrub of striking form. Numerous short branches densely covered with minute needle-like leaves, bearing abundance of bright, rosy flowers.

Price	Each
1 ft., balled.....	\$1.00
1½ ft., balled.....	1.50

CEDARS (*Cedrus*)

***Cedrus Atlantica* (Mount Atlas Cedar)**—Similar to *Cedrus Deodara*, but foliage more compact and of darker green. The tree attains large and stately proportions. Hardy.

Indian Cedar (*Cedrus Deodara*)—Of pyramidal form, reaching immense proportions. Foliage a beautiful shade of bluish green. When the new foliage is opening in spring, the trees are particularly handsome. This is well adapted to the Southern States, and makes an exceedingly handsome lawn specimen.

Price on Above Two	Each
2-2½ feet, balled and burlapped.....	\$2.50
2½-3 feet, balled and burlapped.....	3.00
3-3½ feet, balled and burlapped.....	4.00
3½-4 feet, balled and burlapped.....	5.00
4 - 5 feet, balled and burlapped.....	6.50
5 - 6 feet, balled and burlapped.....	\$7.50 to \$10.00

HOLLY (*Ilex*)

The Christmas Holly (*Ilex Opaca*)—Its bright, green, spiny leaves and brilliant, scarlet berries make it one of our handsomest evergreen shades.

Price	Each
2-3 feet, balled and burlapped.....	\$1.25
3-4 feet, balled and burlapped.....	2.00

JUNIPERS (*Juniperus*)

European, or Common Juniper (*Juniperus Communis*)—One of the best and hardiest varieties, with erect, spreading branches.

Price	Each
2-3 feet, balled and burlapped.....	\$1.00
3-4 feet, balled and burlapped.....	1.50

Irish Juniper (*J. Hibernica*)—A distinct and beautiful variety of erect, dense, columnar shape, resembling a pillar of green. Attains a height of 8 to 10 feet.

ORNAMENTAL DEPARTMENT

	Price	Each
2 - 3 feet, balled and burlapped.....		\$1.00
3-3½ feet, balled and burlapped.....		1.50
3½-4 feet, balled and burlapped.....		2.00
4 - 5 feet, balled and burlapped.....		2.50

Japanese Juniper (J. Japonica)—One of the most desirable of all the Junipers. It adapts itself to a great range of climate, temperature and soil. A distinct and beautiful variety with bright green foliage which does not change during the winter.

	Price	Each
2-2½ feet, balled and burlapped.....		\$1.75
2½-3 feet, balled and burlapped.....		2.50
3-3½ feet, balled and burlapped.....		3.50
3½-4 feet, balled and burlapped.....		4.25
4 - 5 feet, balled and burlapped.....		5.00
5½ feet, balled and burlapped.....		6.00

J. Sabina Cupressifolia—A dwarf trailing variety of much beauty. Foliage bluish-green; almost creeping in habit.

	Price	Each
15-18 inches, balled and burlapped.....		\$1.50
18-24 inches, balled and burlapped.....		2.00

Savin Juniper (J. Sabina)—A dwarf trailing variety. Very desirable and suitable for rock work.

	Price	Each
12-15 inches, balled and burlapped.....		\$.75
15-18 inches, balled and burlapped.....		1.25
18-24 inches, balled and burlapped.....		1.75

Variegated Chinese Juniper (J. Sinensis Argentea Variegata)—Foliage somewhat similar to J. Stricta, but the plant is more compact and dwarf growth; branches beautifully variegated green and white.

	Price	Each
12-15 inches, balled and burlapped.....		\$1.00
15-18 inches, balled and burlapped.....		1.75
18-24 inches, balled and burlapped.....		2.50

J. Stricta—Upright, stiff variety, with light green leaves. Well adapted for formal planting.

	Price	Each
12-15 inches, balled and burlapped.....		\$1.00
15-18 inches, balled and burlapped.....		1.50
18-24 inches, balled and burlapped.....		2.00

J. Virginiana—A dark green tree, with conical head and upright spreading branches. It grows rapidly and reaches a large size. Our trees from the French stock are different from the native Red Cedars. They are very handsome in habit and form.

	Price	Each	10
2-2½ feet, balled.....		\$1.00	\$ 7.50
2½-3 feet, balled.....		1.50	12.50
3 - 4 feet, balled.....		2.00	15.00
4 - 5 feet, balled.....		3.00	25.00
5 - 6 feet, balled.....		4.00	30.00

We have larger specimens of 8 to 10 feet, well formed. Prices on application.

ORNAMENTAL DEPARTMENT

Blue Silvery Cedar (*J. Virginiana Glauca*)—A very glaucous form of Cedar. The silvery color is quite pronounced; its habit graceful and pleasing. One of the most desirable of Junipers.

	Price	Each
1½-2 feet, balled.....		\$2.50
2½-3 feet, balled.....		3.50
3 - 4 feet, balled.....		5.00

We have a few specimen trees of 7½ to 10 feet in the above. Prices on application.

Golden Japan Juniper (*J. Japonica Aurea*)—Grows in bush form; younger growth tinged with golden-yellow, gradually changing to light yellowish-green.

	Price	Each
1½-2 feet, balled.....		\$1.50
2-2½ feet, balled.....		2.00

We have a few specimen trees in rare varieties of Junipers not listed. Prices and sizes on application.

LIGUSTRUM (Privet)

A m o o r River Privets (*Ligustrum Amurense*)—A densely branched variety of rapid growth with small leaves; may be pruned to any desired form; very handsome when grown as an individual tree, and used as a hedge.

	Price			
	Each	10	100	1000
18-24 in., branched.....	\$.15	\$1.25	\$ 7.50	\$ 50.00
2-3 ft., bushy.....	.20	1.50	10.00	75.00
3-4 ft., very bushy.....	.25	2.00	15.00	100.00
4-5 ft., very bushy.....	.30	2.50	15.00	120.00
5-6 ft., very bushy.....	.40	3.50	25.00	

Have some specimen trees in 4 to 6-foot trees. Prices range from 50 cents to 75 cents each.

Ligustrum Japonicum—The smooth-leaved tree-privet introduced from Japan; bright green winter and summer; can be pruned to a straight stem for lawn, or left bushy for massing or screens; it is also trained in the standard shape. This is the finest of the privets for windbreak or avenue planting.

	Price		
	Each	10	100
2-3 ft., very bushy, bare-rooted	\$.50	\$ 4.00	\$35.00
3-4 ft., very bushy, bare-rooted	.75	6.00	50.00
4-5 ft., very bushy, bare-rooted	1.00	8.00	65.00
5-6 ft., very bushy, bare-rooted	1.25	10.00	

We have large specimen trees of 8 to 12 feet. Prices on application.

The above variety in Standard Form, balled and bur-lapped, \$2.00 to \$3.50 each.

Ligustrum Gracile Variegatum—Leaves ovate with smooth, waxy surface. The variegation is cream-colored, remarkably brilliant and profuse; does not sun-burn nor sport back. One of the very best variegated shrubs.

ORNAMENTAL DEPARTMENT

	Price	Each
10-12 inch, balled		\$.75
12-14 inch, balled		1.00
14-18 inch, balled		1.50

L. Lucidum (Wax Privet)—The handsomest and most satisfactory privet from Japan. The leaves are dark green and lustrous, being thick and leathery. Of very compact growth and can be sheared to any form. It makes a fine specimen shrub. Hardy as far north as Baltimore. Flowers white and scented.

	Price	Each	10
12-15 in. spread, well branched, balled..	\$1.25		\$10.00

5-6 ft., well branched.....		1.00	7.50	

We also have following *Ligustrums*: *L. Ibota*, *L. Vulgare*, *L. Cilium*, *L. Lucidum Tricolor*, *L. Lucidum Variegatum*, *L. Sinensis*. Sizes and prices on application.

MAGNOLIA

M. Grandiflora—The large-leaved evergreen of the Southern forest, and is the most beautiful of the American flowering trees. Its large, white flowers, with fragrant odor, are very attractive. Blooms from April to August.

	Price	Each	10
2-3 feet, balled.....		\$1.50	\$12.50
3-4 feet, balled.....		2.00	17.50
4-5 feet, balled.....		3.00	25.00
5-6 feet, balled.....		4.50	
6-7 feet, balled.....		6.50	

Prices on larger specimen on application.

Magnolia Grandiflora may be shipped bare-rooted, if all the leaves are stripped off. Prices for bare-rooted stock will be 25 per cent less than the above figures.

M. Fuscata (*Michelia Fuscata*) Banana Shrub—A handsome shrub; grows slowly. Leaves dark green and glossy. The flowers, light yellow, with strong banana-like fragrance.

	Price	Each
10-12 in., balled.....		\$1.25
12-15 in., balled.....		1.50
15-18 in., balled.....		2.00

NANDINA

N. Domestica—Very handsome shrub reaching a height of 6 feet. Leaves light green in summer, turning to a vivid red during the fall and winter. The white flowers in erect panicles are followed by bright crimson berries. This most striking shrub is very hardy and well adapted.

	Price	Each
10-12 in., balled.....		\$1.00
12-15 in., balled.....		1.50
15-18 in., balled.....		2.00

N. Domestica Microphylla—This differs from the preceding in that the leaves are smaller, and not so bushy, but is equally striking and handsome. Price same as above.

ORNAMENTAL DEPARTMENT

EVERGREEN HAWTHORN (*Pyracantha* or *Crataegus*)

P. Coccinea (Burning Bush)—Large thorny shrub, with small ovate leaves. Bears a great profusion of small, white flowers followed by orange-red berries.

	Price	Each
2-3 ft., bushy.....		\$.50
3-4 ft., bushy.....		.75
3-4 ft., very bushy, balled.....		1.50

OAK (*Quercus*)

Q. Glauca—An evergreen Japanese oak growing in warm regions. The leaves are long and of bright, glossy green; growth is very symmetrical and compact. A very striking ornamental tree in the South.

	Price	Each
3-4 ft., balled.....		\$1.50
4-5 ft., balled.....		2.50

Q. Virginiana (Live Oak)—The well known native evergreen oak from the South; a hardy shade and avenue tree; very desirable for street planting.

	Price	Each	10
4-5 ft., balled.....		\$1.75	\$15.00
5-6 ft., balled.....		2.50	22.50
6-7 ft., balled.....		4.00	35.00
7-8 ft., balled.....		6.00	55.00
8-10 ft., balled.....		7.50	70.00

For larger specimens of 3 to 6 inches in caliper and for larger quantity, apply for special prices.

OLEANDER (*Nerium*)

This is a shrub with thick, glossy green leaves, and a strong, rapid grower; throughout the Gulf section it can be grown outdoors without much danger of winter killing. Varieties: Double dark pink, single pure white.

	Price	Each
Branched bushes, balled.....		\$.75
Strong bushes, balled.....		1.25
Strong specimen bushes, balled.....		\$2.00 to 2.50

PHOTONIA

P. Serrulata—Leaves are very dark green and glossy on surface, turning vivid red in winter. In bloom the greater part of the year, except during summer and winter. A thoroughly fine shrub.

	Price	Each
1-1½ ft., well branched.....		\$1.00
1½-2 ft., well branched.....		1.50

PITTOSPORUM

P. Tobira—Low growing shrub, attains a height of 8 to 10 feet; very compact and symmetrical in form with glossy, dark green leaves; pure white, fragrant flowers in spring; perfectly adapted to the entire South.

ORNAMENTAL DEPARTMENT

10-12 in. head, balled.....	\$1.00
12-16 in. head, balled.....	1.50
16-20 in. head, balled.....	2.25
20-24 in. head, balled.....	3.00
24-30 in. head, balled.....	4.00

Prices on larger specimens on application.

P. Tobira Variegatum—This variety has the same habit of growth as the preceding, but its leaves are beautifully margined with white. One of the handsomest shrubs we have.

Price	Each
6 - 8 in. head, balled.....	\$.75
8 -10 in. head, balled.....	1.00
10-12 in. head, balled.....	1.50
12-15 in. head, balled.....	2.00

JAPAN YEW (Podocarpus)

P. Macrophylla—Attains a height of 50 feet. Upright habit. Leaves yellowish-green, one-fourth inch wide and three inches long. A striking ornament on lawn. Rare and very desirable.

P. Sinensis—Somewhat similar to the preceding; leaves darker green and smaller. Equally striking as above. Rare.

Prices for the Above Two	Each
1½-2 ft., balled.....	\$1.50
2-3 ft., balled.....	2.00
3-4 ft., balled.....	2.75
4-5 ft., balled.....	3.75

SWEET BAY

Laurus Nobilis (Apollo's Laurel)—The true sweet bay or laurel of the poets. A beautiful evergreen, with long, narrow, smooth, green leaves, which are very aromatic and are sometimes used in cooking.

Price	Each
12-18 in., balled.....	\$.75
18-24 in., balled.....	1.00
24-30 in., balled.....	1.50
30-40 in., balled.....	2.25

Persea Carolinensis (Red Bay, Bull Bay)—The native sweet bay. A handsome evergreen. Long, pointed, shiny, green leaves, which are aromatic.

Price	Each
3-4 ft., balled.....	\$1.75
4-5 ft., balled.....	2.75

SWEET MYRTLE

Myrtus Communis—The true classic myrtle. A handsome dwarf evergreen shrub, with small, bright, green, aromatic leaves. Flowers, pure white, fragrant.

Myrtus Microphylla—A small-leaved form of the above. A handsome shrub of low branching habit.

ORNAMENTAL DEPARTMENT

	Price on the Foregoing Two	Each
12-18 in., bushy, balled.....		\$1.00
18-24 in., bushy, balled.....		1.75
24-30 in., bushy, balled.....		2.50
30-36 in., bushy, balled.....		3.25
3 - 4 ft., bushy, balled.....		\$4.00 to 4.50

SWEET OLIVE, TEA OLIVE (*Olea Fragrans*)

This thrives out of doors in this part of the South, if planted where it will be shaded from the mid-day sun. It begins blooming in the fall and lasts several months. Small white flowers, very fragrant.

	Price	Each
10-12 in., in pot.....		\$1.00
12-15 in., well branched, balled, or in pot.....		1.50

VIBURNUM

V. Odoratissimum—Bushy shrub with stout, erect branches. Leaves large and leathery, dark glossy green. Flowers, white, very fragrant, followed by showy red berries. Very rare and handsome shrub.

	Price	Each
10-12 in., balled.....		\$1.00
Specimen tree, 4 ft., balled.....		5.00

V. Tinus—Rather small shrub with wavy-margined, pointed leaves. Flowers, pinkish in the bud, white when in full bloom.

	Price	Each
8-10 in., balled.....		\$.75
10-12 in., balled.....		1.00

WILD PEACH (*Laurocerasus Caroliniana*)

A native, hardy evergreen of the South, very beautiful and symmetrical in growth. Produces an abundance of pleasant scented, oblong blossoms, followed with small, black, shining fruits. This is a very valuable shade and ornamental tree; on account of its compact foliage, the tree can be trained in all kinds of forms.

	Price	Each

YUCCA

Y. Filamentosa (Adam's Needle, Bear Grass, Silk Grass, etc.)—A conspicuous plant with stiff evergreen foliage and majestic spikes of creamy-white flowers: Dwarf and with flexible leaves. 35 cents and 50 cents each.

DECIDUOUS TREES AND SHRUBS

ALTHEA (Hibiscus)

Hibiscus Syriacus (Rose of Sharon)—A shrub hardly needing introduction. Flowers in variety of colors in summer and fall make it a very showy tree. Perfectly at home. We have the following colors: Double purple, double red and white variegated, single white, white, crimson at base.

	Price	Each	10
2-3 ft., bushy, 3 year.....		\$.35	\$3.00
3-4 ft., bushy, 3 year.....		.50	4.00

HIBISCUS HAMABO

Yellow flowering Hibiscus from Japan. Very rare. Flowers large and pure yellow. Blooms all summer. 50 cents each.

ASH (Fraxinus)

Green Ash (*F. Lanceolata*)—A medium-sized tree, with slender, spreading branches. Leaves, bright green, fading in autumn to tones of yellow and white. A desirable shade tree.

	Price	Each
7 - 9 feet		\$1.25
9-12 feet		2.00

BALD CYPRESS (*Taxodium Distichum*)

Deciduous Cypress—A beautiful, rapid-growing, stately tree of pyramidal form; branches are covered with bright brown bark and beautiful, feathery foliage of light green color; it thrives in almost any soil.

	Price	Each
5-6 feet		\$1.50
6-7 feet		2.00

BARBERRY

Thunberg's Barberry—Dense, low shrub from Japan, with spreading branches; large, brilliant, red fruits remain on tree all winter; bright, scarlet foliage in the fall.

	Price	Each
12-24 in., bushy		\$.35

CHASTE TREE (*Vitex Agnus-Castus*)

Leaves are long and divided; flowers pale lilac. The plants of this genus are very aromatic.

	Price	Each
2-3 feet		\$.35
3-4 feet		.50
4-5 feet, bushy.....		.75

ORNAMENTAL TREES

CORAL BERRY (*Symphoricarpus*)

S. Valgaris (Indian Currant; Red Fruited Snowberry)—Native shrub of spreading, arching growth. Loaded during fall and winter with a profuse crop of dark red, small berries in dense clusters.

	Price	Each
2-3 feet		\$.35
3-4 feet		.50

CORAL PLANT (*Erythrina*)

E. Crista-Galli—Partly shrubby; flowering shoots dying to the hard-wood. Flowers are most gorgeous, being borne in panicles from one to two feet long. Brilliant, crimson-shaded scarlet.

	Price	Each
Per clump		\$.75

CHINESE HIBISCUS (*Hibiscus Rosa Sinensis*)

This is a most beautiful flowering shrub of rapid growth. Blooms constantly during the growing period. Flowers are very large, several inches in diameter, and very attractive. Requires good protection during the winter. It is a most desirable shrub for pot culture. Colors: Red, pink, double red, peachblow, white, etc.

	Each
Large plant in pot.....	\$.75 to \$1.50

COTTONWOOD (*Populus Deltoides*)

A large tree, with a broad, graceful crown. Distributed from Canada to the Gulf. It is an excellent avenue tree or for any position needing a large shade tree of rapid growth.

	Price	Each	10

4-5 feet		.75
5-6 feet		1.00

WEIGELIA (*Diervilla*)

Weigelia Rosea, or *D. Florida*—Flowers pink, large, borne in the utmost profusion. Well adapted to our Southern climate.

	Price	Each
4-5 feet, very bushy.....		\$.50

WILLOW (*Salix*)

Weeping Willow—A native of Asia; long, slender, olive-green branches, extending downward; beautiful trees for lawn or park.

	Price	Each
3-4 feet		\$.50
4-5 feet		.75

VINES

IVY

Boston Ivy—A graceful vine, closely clinging to walls. Leaves are either entire, or compound with three leaflets; their rich green color changing to brilliant tones of orange and scarlet in autumn. Strong, field-grown, 35 cents each.

English Ivy—A grand, high-climbing evergreen vine with dark green leaves. Grows best on the north side of buildings or other shady places. Strong plant, field-grown, 35 cents each.

BIGNONIA SPECIOSA

An evergreen vine with glossy leaves. Flowers lilac and yellow inside. Free bloomer. Very satisfactory vine. Strong vine, field-grown, 50 cents each.

CAROLINA YELLOW JASMINE (*Gelsemium Sempervirens*)

Evergreen vine of springtime glory. Is most effectively used in screening. The fragrant, bright yellow flowers are very charming. Perfectly hardy. Small vine, 35 cents each.

CLIMBING FIG (*Ficus Pumila*)

A very small-leaved evergreen creeper which clings closely to any solid object. Excellent for growing on walls; makes a perfect covering. Strong plant in pot, 35 cents each.

VINES

JASMINUM PRIMULINUM

Listed under the evergreen.

MOUNTAIN ROSE, ROSE DE MONTANA

(Antigonon leptopus)

A beautiful vine with heart-shaped leaves, bearing great racemes of rose-pink flowers during the summer. Very desirable for shading porches, covering fences, etc.

	Price	Each
Strong root		\$.35
2 year root.....		.50

STAR JASMINE, CONFEDERATE JASMINE

(Rhyncospernum)

A splendid evergreen vine, native of China, with dark green, waxy leaves of small size. The pure white flowers borne in spring in great profusion have a peculiar and most delicious fragrance.

	Price	Each
Strong, 1 year, field-grown, balled.....		\$.75
Strong, 2 year, field-grown, balled.....		1.25

TRUMPET VINE (Bignonia Capreolata)

A deciduous climber with dark green foliage and orange-red, trumpet-shaped flowers, produced throughout the summer. Clings closely to walls or tree trunks.

	Price	Each
Strong plant		\$.35
Very strong plant.....		.50

WISTARIAS

Formosa Wistaria (Milletia Reticulata)—A new variety, having dark green, glossy leaves. The flowers are of royal purple color and fragrant. This is a handsome plant, both in foliage and flowers, and being perfectly at home in the coast country, deserves to become very popular. Nearly evergreen.

	Price	Each
Strong plant		\$.75
Very strong plant		1.25
Specimen		2.00

Chinese Wistaria—Flower clusters 7 to 12 inches long. Profuse bloomers in spring before leaves appear. Purple and white.

Price	Each
8-10 in. in pot.....	\$1.00
6 - 8 in. in pot.....	.75

Sago Palm (*Cycas Revoluta*)—Dwarf palm with very dark, glossy, green leaves. Very unique. Splendid for house, also as specimen on lawn. In pot only, 50 cents, 75 cents and \$1.25 each.

Sabel Palmetto Palm (*Cabbage Palmetto*)—Large fan-leaf variety, native to southern coast sections. Perfectly hardy, standing temperatures nearly zero.

Price	Each
2-2½ ft., bare-rooted	\$1.25
2½-3 ft., bare-rooted	2.00
3 - 4 ft., bare-rooted	2.50

Washingtonia Robusta—Trunk slender and grows fast. Leaves dark green with few filaments. A favorite because of its rapid growth.

Price	Each
2-3 ft., balled and pruned.....	\$2.50
3-4 ft., balled and pruned.....	3.50
4-5 ft., balled and pruned.....	5.00
5-6 ft., balled and pruned.....	6.50

We have some of the palms established in pots that can be delivered without being pruned. Sizes and prices on application.

BAMBOOS (*Bambusa*)

Bambusa Sterilis—Height 10 to 15 feet; straight stem; internode at the base is very short and irregular; excellent bamboo for fishing rods or walking canes.

Bambusa Argentea—A variety making a very dense clump. Does not form runners, therefore is ideal for lawns, windbreaks, etc. The shoots bend outward very gracefully.

ORNAMENTAL GRASSES

Bamboo Falcata—Height 6 to 10 feet; fine leaves; very desirable where small growing species is preferred.

Bamboo Verticillata—Canes striped yellow. Rank grower, 20 to 25 feet. Makes fine clump. Very hardy; one of the best for windbreaks.

Prices on Above Four		Each	10
Small clump	\$.75		\$ 4.00
Medium clump	.75		5.00
Large clump	1.25		10.00
Specimen clump, balled	\$2.50 to 3.00		

We have a few other varieties of Bamboo not listed here. Varieties and prices on application.

ORNAMENTAL GRASSES

Lemon Grass—A small growing ornamental grass, desirable for lawn. Leaves pale green with strong aromatic odor of lemon.

Silver Pampas Grass (*Gynerium Argenteum*)—One of the finest of all tall plume grasses. Attains 10 to 20 feet, topped with beautiful, silvery plumes.

Pink Pampas Grass—Plumes very compact, of delicate rose color. A very beautiful and scarce variety.

Variegated Giant Reed—A vigorous, perennial grass, attaining a height of 10 to 15 feet. Leaves long and broad, striped longitudinally with green and creamy-white.

Striped Eulalia—A graceful, hardy grass with drooping leaves, striped longitudinally with green and silver-white; 4 to 5 feet.

Zebra Grass—An interesting variety because of the odd variation that the foliage presents, being marked at regular intervals with yellow bands across the leaves.

Prices for All Grasses		Each
Strong clump	\$.50	
Very strong clump	.75	
Extra strong and specimen.....	\$1.00 to 2.00	

We have other varieties of Grasses. Prices are same as above. Descriptions furnished on application.

MISCELLANEOUS PLANTS

CANNA

A well-known flowering plant with large banana-like leaves. Showy flowers produced all summer. Mixed sort. 10 cents each, 75 cents per 10.

CARNATION (*Dianthus*)

We have only a hardy variety in crimson and white. Good bloomer all through season.

Price	Each
Field-grown, balled	\$.50

MISCELLANEOUS PLANTS

CRINUM

Closely related to *Amaryllis*. Evergreen of easy culture. 15 cents each; \$1.00 per 10.

YELLOW DAY LILY

Old favorite plants for border and bed. Splendid subject for South in general. 15 cents each; \$1.25 per 10.

BLUE LEADWORT (*Plumbago Capensis*)

This is one of the showiest and most satisfactory flowering shrubs for the South. Flowers of delicate blue. Two year plant, 35 cents each.

ELEPHANT'S EAR (*Caladium Esculenta*)

The well-known, showy, bedding plant; large deep-green leaves. Grows 7 to 8 feet. 25 cents and 50 cents each.

C. Species, Dasheen—A splendid starchy food-plant, and now generally grown as vegetable in Japan and China. Very ornamental. 15 cents each; \$1.00 per 10.

Fancy Caladiums—Splendid ornamental foliage, dying down through the winter. No other plants possess more richness or delicacy of coloring. Prefers a moist and half-shaded, rich soil. Mixed sorts, 35 cents to 75 cents each bulb; in pot, in leaf, 50 cents to \$2.00 each pot.

GERMAN IRIS

These handsome spring-blooming plants begin flowering about the middle of April and continue to bloom for five or six weeks. White and purple. 25 cents each.

MALLOW MARVELS

A herbaceous plant with very large, showy flowers. They thrive in any good, rich garden soil and in full sunlight. Throughout the entire summer they produce large single flowers. White, pink and red. 25 cents each.

PANSIES

Genuine Steele's field-grown special; none better. General run, 25 cents per dozen. Select, 50 cents per dozen.

TUBEROSE (*Polianthes*)

The well-known single flowering Mexican tuberose, hardly needing description.

	Price	10	100
Dry bulbs		\$.75	\$5.00
Wholesale price on application.			

ROSES

Extra strong, 3 year, No. 1.....	\$1.00 to \$1.25		
Strong field grown, No. 1.....	.75		\$6.00
Strong field grown, No. 2.....	.60		5.00

PINK

Bridesmaid—This has a deep brilliant pink blossom of beautiful form and rich, fragrant aroma; a good bloomer.

Helen Gould—One of the best, if not the best, winter blooming rose; a splendid rich, rosy crimson flower.

Madame Caroline Testout—Color most brilliant pink imaginable. Beautiful either in bud or open.

Maman Cochet—Color, fleshy pink, with inner side of petals silvery rose; the fragrance is rich and delicious.

Paul Neyron—One of the largest flowering roses in cultivation. Free bloomer. Deep, clear rose; very fresh and attractive, making straight shoots.

Radiance—Brilliant, sparkling pink with large pointed buds. Very satisfactory rose.

Mme. Lombard—The flowers are large, finely formed and fragrant. Rosy bronze, changing to salmon and fawn.

Souv. de President Carnot—Light shell pink of a shining color. A splendid bloomer summer and fall.

Jonkheer J. L. Mock—Clear, imperial pink blooms of magnificent size and form. Awarded many medals and prizes.

Dorothy Perkins—Beautiful shell-pink color, fading finally to a lovely, deep rose; very sweet-scented.

Mrs. B. R. Cant—Of deep rose on the outer petals. The fragrance is very sweet. It is a general purpose Tea Rose.

John Hooper—Flowers shade from a rosy pink to a crimson center. An early bloomer. Hardy in North and does well in South.

Mistress Charles Russell—Bright rose-pink, deepening toward center; compared with American Beauty, equal in size and fragrance; far more beautiful in color. It is mildew proof. Fine rose for cut flowers. \$1.00 each.

Columbia—Peachblow pink, deepening as it opens to a glowing and enduring color, resembling Shawyer rather than the other parent, Ophelia. Absolutely free from mildew, nearly thornless. \$1.00 each.

Souv. de la Malmason—Lovely flesh-pink, elegantly shaded with rosy-peach; perfectly full, double, and very large flowers of fine form. Fragrant and vigorous.

Ophelia—Brilliant salmon-flesh shaded with rose, finally passing to lighter shades; fragrant as Richmond; one of the finest roses for cut flowers.

R O S E S

WHITE

Bride—Superb, pure white rose; buds and flowers unusually large and finely formed.

Kaiserin Augusta Victoria—Pure white, splendid, large buds and superb, full, double blooms, making the choicest cut flowers. Blooms steadily from early spring until late fall. Color, creamy white; flowers medium size, full and very double. Very vigorous and a continuous free-bloomer. Reliable.

Frau Karl Druschki (White American Beauty)—A strong grower; flowers very large; color pure waxy white.

White La France—A fragrant, free, continuous bloomer. Flowers large and well formed.

Mary Washington—Climbing tea rose. Flowers pure white with soft and velvety petals. Of unusually strong growth.

Bessie Brown—A creamy-white rose. Very highly perfumed. The flowers are full and large. Of very easy culture.

White Maman Cochet—Waxy-white, large flowers, with a faint pink flush. Vigorous grower.

Clothilde Soupert—A fine rose for bedding out or for pot culture. White, shading to deep pink at center. A strong dwarf grower, deliciously fragrant.

Snowflake, or Marie Lambert—Medium size, pure white; fine bedder of easy culture. Well adapted.

RED

American Beauty—Large, full, beautiful red. Not a strong grower; produces fine flowers during spring and fall.

Etoile de France—A brilliant shade of clear red-crimson velvet, large flowers on long, stiff stems. Vigorous and free blooming.

Louis Philippe—Rich, velvety crimson. It is the most showy dark red rose we have for gardens and grounds. It makes a large, vigorous bush, and there is scarcely a time during the entire year when it is not in bloom.

Meteor—A dark, rich, velvety crimson rose—so dark that it sometimes appears blackish crimson; a constant, profuse bloomer; a vigorous grower.

General Jacqueminot—Shapely buds and handsome blooms of bright, shining crimson; rich, brilliant, velvety and fragrant.

Crimson Baby Rambler—Brilliant, shining crimson baby flowers in profusion, ever-blooming and hardy.

R. M. Henrietta—Color, bright cherry-red; desirable for cut flowers, retaining their form and beauty for several days; one of the best climbing roses.

Rhea Reid—"Large as American Beauty, double as Bridesmaid, fragrant as La France, continuous as the Bride, and red as Richmond in winter."

R O S E S

Climbing Meteor—Grows ten to fifteen feet in a season; blossoms freely and persistently. Deep velvety crimson. Sometimes called "Perpetual-blooming Jacqueminot."

Climbing American Beauty—A seedling from American Beauty; same as its namesake in size, color and fragrance, with addition of climbing habit.

Crimson Rambler—The most popular out-of-door climber of today; a rapid producer of long, heavy canes. Rich clusters of bloom form a mass of vivid crimson beauty.

Climbing Baby Rambler, or Miss G. Messman—A true ever-blooming baby crimson rambler. The combination of color and habit make this a most desirable rose.

Marshall P. Wilder—Deep, rich, glowing red; extra large; very strong grower and free bloomer.

Ulrich Brunner, or Lady American Beauty—Brilliant cherry-red flowers of immense size. Strong and disease-resisting.

Madame Masson—Double flowers of intense red, highly perfumed; a constant and profuse bloomer. Very attractive.

Robin Hood—Glorious rosy-scarlet color, bright and lasting; blooms full and of beautiful form. A free producer.

Richmond—Scarlet-crimson of a most brilliant hue; handsome dark foliage; a rapid grower and constant producer. No. 1, \$1.00 each.

YELLOW

Etoile de Lyon—Color beautiful chrome-yellow, deepening at center to pure golden-yellow; flowers very large, double and full, and deliciously fragrant.

Mademoiselle Franzisca Krueger—A free and constant bloomer. Copperish yellow. A good variety for out-of-doors.

Climbing Marechal Neil—Deep yellow; very large; delightfully fragrant. The finest of all the yellow climbing roses.

Sunburst—A magnificent yellow rose. It is the yellowest of all roses in the ever-blooming class.

Blumen-Schmidt—Pure citron yellow. A sport from Mlle. Franzisca Krueger, which it resembles in form and foliage.

Cl. Perle des Jardins—Deep golden yellow. Buds are very full. Flowers very beautifully formed. The favorite yellow climbing rose of today.

TERMS AND CONDITIONS OF SALE

PLEASE READ BEFORE MAKING OUT ORDERS

Terms—Cash with order, or one-fourth with order for future delivery, and balance before shipment.

All Quotations are f. o. b. Genoa, Texas, and subject to change without notice.

Substitution—When out of varieties or sizes ordered, we will substitute others unless otherwise instructed.

Shipping by Mail—In ordering trees or plants for shipment by mail, add enough to the list price to cover cost of postage.

Orders Booked will be held subject to purchaser's order until February 1, of current season. Should they not be taken up by that time, or no special arrangement be made for holding further than the date named, at option of the seller they may be considered cancelled, and the amount paid will be forfeited as liquidated damages, or balance of purchase money become due and goods purchased will be held at risk or expense of the purchaser.

Transportation at Purchaser's Risk and Expense—All transportation charges are to be paid by the purchaser, and our responsibility ceases upon delivery, in good order, to forwarding companies; claims for losses or damages must be made upon the latter. We will, however, start a tracer for delayed shipments, if notified, and use every means at our command to secure prompt delivery, or recovery in case of damage or loss.

Guarantee—We guarantee every tree and plant that we send out to be true to name. Should any prove to be different from what they are labeled, we will return the amount paid for them or furnish new trees, but we are not subject to any other claims or damages.

Claims—If, by any possibility, errors should occur, they will be promptly rectified, if claim is made within five days after the receipt of the goods.

DEPARTMENT OF AGRICULTURE

Official Nursery Inspection Certificate

THIS IS TO CERTIFY that the Nursery Stock grown, exhibited or held for sale by The Ellington-Japanese Nursery at Genoa, County of Harris, State of Texas, has been inspected by a duly authorized Inspector of this Department in accordance with the provisions of the Orchard and Nursery Inspection Laws of the State of Texas, and was found to be apparently free from Dangerously Injurious Insect Pests and Plant Diseases.

A printed copy of this certificate on any shipping tag attached to any shipment of nursery stock is authority to any freight or express agent in Texas to accept same for transportation.

This certificate is void after September 1, 1921.

Austin, Texas, Sept. 11, 1920.

LOUIS J. TACKETT,

Chief Inspector of Orchards and Nurseries.

Approved:

FRED W. DAVIS, Commissioner of Agriculture.
