The Highlands Fruit Farm

Excelsior, Minn.

TESTED NEW FRUITS FOR THE NORTHWEST

Originated at the Minnesota State Fruit Breeding Farm.

✓ Minnesota No. 4 raspberry, by far the best raspberry for the Northwest. The plants are strong growers and perfectly hardy. Berries are extremely large and of delicious flavor. First grade selected plants are \$4.00 per 100 or \$25.00 per 1000. Smaller plants are \$2.00 per 100 or \$15.00 per 1000.

✓ Minnesota No. 3 strawberry is now known throughout the Northwest as the best June berry for this section. Plants are \$1.00 per 100 or \$5.00 per 1000 (special prices on large quantities.)

✓ Minnesota 935, a large, fine-flavored June berry, a week later than No. 3, \$2.00 per 100.

✓ Minnesota No. 1017, a wonderfully productive everbearing variety, \$2.00 per 100 or \$10.00 per 1000.

~~Superb everbearing, \$2.00 per 100 or \$8.00 per 1000.~~

All prices are F. O. B. Excelsior.

Cost of packing is included.
