KALMIA LATIFOLIA (Mountain Laurel)

COLLECTED CLUMPS BY THE CARLOAD

OFFERED BY

KOSTER & CO., Nurserymen BRIDGETON, N. J.

Bridgeton is located 35 miles South of Philadelphia, in the heart of the Jersey Kalmia belt. According to experts the quality of Kalmia growing here is unsurpassed. We have secured hundreds of acres of high, open land where we collect our plants.

We guarantee to ship first-class plants only, the plants being collected under our own personal supervision. They are dug with large balls, and can be shipped without burlap.

The location of Bridgeton secures a long shipping season, enabling us to ship your plants early if desired.

Prices are net, f. o. b. Woodruff Station (Central Railroad of New Jersey) or Finley Station (Pennsylvania Railroad.)

All bills are due in 30 days, unless other arrangements are made at time of sale.

FINE STRONG CLUMPS, ft. 1 to 2 per 100, \$ 50.-

“ 2 to 3 “ “ \$ 75.-

“ 3 and over “ \$100.-

“ 1 to 3 “ “ \$ 70.-

Larger plants, prices upon application.

Of the smaller size we pack about 500 plants in a single deck car; of the larger size about 300; in a double deck car respectively 800 and 500; double decking car charged at cost.

If less carload lots are desired we charge an additional 15%, plus burlapping and packing charges.

We will be glad to send you some branches, indicating the style of Kalmia we send out, or will send samples at your expense.

Prices of other collected plants will be cheerfully sent upon application.
