WHOLESALE PRICE LIST

1921-1922

Gladiolus Bulbs

G. D. Black & Son

Albert Lea, Minn.

The prices in this list are figured on a cash basis and do not include payment of postage or express charges. If you wish bulbs sent by parcel post be sure to include enough postage, and we recommend that you include enough and have them insured as we do not assume any risk in transit. The shipping weight of bulbs will average about as follows, per 100: No. 1, 8 lbs.; 1 in. to 1½ in., 5 lbs.; ¾ in. to 1 in., 2½ lbs.; and ½ in. to ¾ in.; 1 lb.

Terms: 25% cash with order, balance before shipment, or bulbs will be sent C. O. D.

We shall try and meet all legitimate competition, except on the badly mixed stocks of some dealers.

We shall strive to maintain our reputation for furnishing clean, pure, young stock. We make a specialty of growing young stock for other growers, because our soil and facilities are well adapted for this purpose.

While we exert the greatest care to have everything true to name, we will not assume any responsibility for errors that may occur, other than to replace any stock that may prove untrue or refund amount received for same.

The stock of bulbs we offer is practically all one and two years old from the bulbets. A young vigorous bulb about one inch in size is worth more than a large old bulb.

Some of the standard varieties are omitted from this list because early orders have exhausted our stock and it is our policy to sell stock of our own growing.

The following offers are made subject to prior sales:

25 bulbs of a kind furnished at the 100 rate.

250 at the 1000 rate.

No charge for packing.
