BLUE FIGURE PRICE LIST. Printed Semi-Monthly in Season

The Prices Quoted Below Are Subject to Market Changes and Stocks Being Unsold. Write for our *New Blue Figure Price List* before ordering, if the one you have has been issued two weeks prior.

RUSH ORDERS will be accepted at prices quoted on this list, and you will be given the advantage of any price decline; however, in case of an advance in prices, you will be notified prior to shipment of order, or seeds will be sent to the value of your remittance. To save delay, please specify in ordering, which you prefer.

NO CHARGE FOR GRAIN SACKS. All prices include sacks, which are weighed in, as part of the quantities given.

THE FARMER SEED & NURSERY CO. give no warranty, express or implied, as to the description, productiveness, or any other matter of any seeds, bulbs, or plants they send out, and they will not be in any way responsible for the crop. Purity and germination tests are given for guidance only, and without guarantee. If the purchaser does not accept goods on these terms, they are to be returned at once.

POSTAGE MUST BE ADDED AT ZONE RATES, AS GIVEN ON PAGE 1 OF CATALOG ON PARCEL POST ORDERS.

FARMER SEED & NURSERY CO.

Faribault, Minn., Jan. 16, 1922

QUALITY

Our Clover and Grass Seeds are graded according to quality—**PURITY, GERMINATION, and COLOR.**

NO. 1—FARMER BRAND. Stands for the highest degree of purity—98-99 per cent, the best of germination, and for bright and healthy color. Very few seedsmen feature seed of this quality.

NO. 2—FANCY. Purity 96-98 per cent, and of as good germination as Farmer Brand, but may be merely lacking in color. Mostly offered as **BEST** by others.

NO. 3—CHOICE. Will grade slightly lower in purity, germination, and color than Fancy, but represents a big value for the money.

All three grades will be free from noxious foul seeds and all represent good value for the prices quoted.

SPECIAL PART PAYMENT PLAN

Our prices right now are the very lowest for which guaranteed quality seeds may be sold. On many items prices are bound to be higher as the season advances. Therefore, to help our customers to secure the choicest quality stocks at lowest prices, we offer, while our present supply lasts, the following special terms:

On orders amounting to \$15.00 or over, send one-third the total amount due. The seeds will be reserved for later shipment, balance to be paid on arrival. In offering this protection, we cannot accept cancellations, but hold the seed for thirty days if desired. This offer subject to recall at any time.

FARMER SEED & NURSERY CO.

Clovers.

PLEASE NOTICE—We offer absolutely no imported Clover and Alfalfa Seed, and our prices are therefore not in competition with inferior imported Seed offered by jobbers and dealers.

At prices quoted below, sacks are included.

Poland China Spring Pigs

We have two fine herds of Poland-Chinas, and always have been breeding for large type, long frame, and strong bones, a moderately curved back for carrying the heavy load—for 800 to 1000 pound hogs are a common feature. With such blood as Valley Big Tim, Big Bone Wapsie, King Jumbo, Model Bob Imperator Aguin—our selected Polands are bound to please. Spring pigs, both males and females, will be ready for shipping right after weaning, when 8 to 10 weeks old. Price each \$15.00. Trio, 1 Boar and 2 Sow Pigs, not akin, \$42.50. Write us for prices on larger numbers. Papers furnished for registration. Send us only one-third of the amount with the order, balance when shipment is made.

Grasses.

NOTE—All light Grass Seeds are Sold at 14 lbs. per bushel; Timothy at 45 lbs. per bushel.

Please Notice—Sacks included at prices quoted.

Inoculating Bacteria for Alfalfa, Peas, Beans, Clover, Etc.

The safest and best way to ward off failure with Alfalfa, Sweet Clover and Soy Beans is by inoculation of the seed. Standard Bacteria is easy to apply, nothing to do but to moisten the seed. Directions for using on every package. We offer Standard Inoculating Bacteria at the following prices:

1 acre size (15 lbs. seed)	\$.50
2 acre size (30 lbs. seed)	.95
4 acre size (60 lbs. seed)	1.50
6 acre size (90 lbs. seed)	2.10
Garden size for Peas, Beans, Sweet Peas, etc.,	35c postpaid.

Carefully Bred Minnesota Grown Seed Corn

Our Seed Corn has been produced from seed stock having had at least six or seven years of the most careful breeding. Not any of our Corn used for Seed Corn is ever procured in the open market, and is therefore not in competition with Seed Corn picked up at random.
