How can I add to the Charm and Value of my Home?

HERE is a miniature reproduction in one color of the big, handsome book we have written to answer this question for you.

Nine by twelve inches in size, it has sixty-eight pages of interesting reading, illustrated in close detail by hundreds of splendid photographs.

Cover in full color by the distinguished brush

of Arthur Gibson Hull.

The inside pages in exquisite coloring, by the same illustrator, will give you a new vision of the possibilities of landscape beauty.

This is the best Planting Guide and Catalogue we have yet produced. We are proud of it, and we look forward to your pleasure in it.

A copy is yours for the asking.

The New Year Book

How It Can Help You

The Special Offers

In the New Year Book

THE 1922 Year Book of Little Tree Farms has been primarily designed as a Planting Guide and reference book for our customers and friends. No expense has been spared to make it the most complete, useful and fascinating study of the subject so far produced. It may well save you hundreds of dollars and years of vexation and disappointment.

In addition to the Planting Guide, the book contains a descriptive catalog of some hundred and thirty absolutely worth-while species of evergreens, trees, shrubs and vines, listed at prices which quality for quality we have reason to believe cannot be matched. *Complete index.*

Does the exposed foundation of your house vex you with an unattractive line,—or a gaping corner of the veranda? Have you a garage which insists on filling the foreground of your home picture?

Are you thinking of planting a hedge, or protecting the garden with a windbreak?

The information you would like is right at hand: what to plant for such a purpose; how many plants you will need of each kind; what it will all cost; and how to arrange the plants.

Here are just a few of the subjects treated and illustrated:

Defining the Doorway	Best Evergreens: Firs, Spruces, Pines, Arborvitae, etc.
Softening Odd Corners	Best Deciduous Trees: Oaks, Elms, Maples, etc.
Framing the House-Picture	Best Evergreen Shrubs: Rhododendron, Laurel, etc.
Screening the Garage, etc.	Best Flowering Shrubs: Lilacs, Spirea, Rosa Rugosa, etc.
Path and Drive Entrances	Best Vines: Euonymus, Ivy, Clematis, etc.
Roadside Trees	
Hedges, Borders, Windbreaks	
Enclosing the Garden	
Line and Design for Gardens	
Plants for Difficult Soils	
Characteristic Forest Effects

A second route leads through Westboro, Ashland, Framingham, to Framingham Center; but this is longer and the road is less uniformly good.

THROUGHOUT the Year Book you will find many Special Offers for special purposes, carefully arranged on the advice of competent landscape architects and engineers, and, so, genuinely helpful to the expert as well as the novice in landscape gardening.

Special Offers for lawn groups, border plantings, roadside and drive planting, plantings for wet, dry and wind-swept places; for every reasonable purpose, and for big and little pocketbooks.

But whatever you may order from the catalog later, don't fail to take advantage *now* of our great general-purpose "Friendship Offer" on the last page of this folder—a value you cannot afford to miss.

A Word About Little Tree Farms—Itself Little Tree Farms is the name of the two nurseries of the American Forestry Company of Boston. They are located at Framingham and Framingham Center, Massachusetts, in the pleasant farming country that lies between Boston and Worcester, one of the garden spots of New England.

Here lie acre on broad acre of clean-cultured rows of sprightly Evergreens and other plants, smiling in the sun, truly a refreshing sight for city-tired eyes.

Park your car at the dignified old Homestead that serves as field headquarters, walk through the pleasant paths of the Specimen Garden, visit the Roadside Shop. Select your own plants, if you wish, and have them packed into your car then and there. But whether you buy or not we want you to feel that always you are welcome at Little Tree Farms.

Little Tree Farms No. 2 can conveniently be reached by steam railway, interurban trolley, or by motor. (See map below). In the center column is a brief description of the main motor routes and distances from Boston and from Worcester.

Little Tree Farms Friendship Offer

This is our great general purpose offer for 1922. Don't overlook it

Photograph of a sample packing of the 6 for \$10 Friendship Offer

These Six Delightful Evergreens—\$10

A SPRIGHTLY, joyous cluster of evergreen beauty! Just the right varieties to plant at your doorstep, at the corner of the path, or as a group on your lawn. Each a specimen plant, selected for vigor of growth, symmetry of contour, and beauty in combination.

The smallest has a foot and half spread; the largest is four feet tall. All are vigorous, big rooted, full foliaged, of the well-known Little Tree Farms "three times transplanted" quality.

THIS is the big friend-making offer of Little Tree Farms, consisting of the following choice specimens:

One Blue Spruce	One Erect Juniper
One Arborvitae	One White Spruce
One Prostrate Juniper	One Red Pine

These evergreens are shipped with their roots in a ball of native loam, burlap-tied. The whole shipment is carefully crated, and delivered free to the Express Office at Framingham, Mass.

Please Enclose Remittance with Order

A Wonderful Value for Ten Dollars

Blue Spruce

P. S. Perhaps you hesitate to venture a ten dollar bill on your first order. Very well—we will send you for six dollars, one each, of any three Evergreens of our Friendship Offer above.
(The extra dollar covers the cost of the extra packing).
