The Best Irises in the Bonnewitz Garden

Of course, I have many, many others not shown in this list, as I have been purchasing Irises for the past ten years. However, my customers seem interested only in the best, so I have omitted the cheaper and commoner sorts. After selecting some of the better ones in this cheaper class for my exhibition garden, it is my intention to discard the balance. I have found that one thousand varieties are too many for any garden.

Irises should be planted NOW. I can make IMMEDIATE SHIPMENT.

My stock in some instances is very limited and so I can accept and ship only the first orders received for these scarce varieties. NO SUBSTITUTES will be sent. If I cannot furnish the varieties selected, I will promptly return your money.

TERMS—Cash with order. Shipments to be forwarded by express at purchaser's expense. On small shipments (not more than ten roots) I will forward by insured parcel post for 25c additional, should purchaser desire parcel post delivery.
