R O S E S

BUDDED and STANDARD

Complete list of varieties still available. This includes the offerings of four prominent growers and hence embraces practically everything on the market in California grown budded stock.

DESCRIPTIONS are omitted here for lack of space (except of a few novelties not offered before) but I will send on request a copy of List 22-E which contains accurate descriptions.

Orders will not be accepted at these prices for less than five of a kind except varieties costing \$1.00 or more.

GRADES. First part of list is first grade stock only. Second grade is offered separately on sheet 3.
