GLADVISTA GARDENS GLADIOLI RETAIL LIST

1923

Hamburg, N.Y. 1/1/23

Dear Patrons:

To reach more people with our "Extra Quality" bulbs we are condensing our list this season and making prices so moderate that all can afford to purchase in liberal quantity. We have omitted descriptive matter as most of our patrons are familiar with the varieties listed, but information will be cheerfully furnished all who write for same, (Enclosing stamp). All bulbs will be large flowering size and quality except as noted. (LB) after a variety name indicates "Large Bulb". (SB) after a variety name indicates "Small Bulb". Small bulbs will be $3/4$ " or more in diameter and will require more time to flower.
