HOLLAND " BULBS

FALL CATALOG
1923

Holland Bulb Importing Co.

75 NORTON STREET
ROCHESTER, N. Y.

HOLLAND BULB IMPORTING CO.

75 Norton Street, Rochester, N. Y.

FOREWORD

Just a few brief words to say that this catalog is prepared very simple, without big display.

Overhead expenses, advertising, selling expenses, etc., are kept at a minimum, and by importing only the leading varieties of bulbs in tremendous large quantities and of the very best quality, we are able to offer first class bulbs at the low prices listed.

Our personal acquaintance with some of the most expert bulb growers in Holland, and having not only visited their nurseries several times, but having formerly resided there, have given us the opportunity to select and buy bulbs that have been cultivated on the best fields known in Holland.

All bulbs in this catalog can be planted **successfully outdoors**, but only those marked as forcers can be planted **indoors** successfully, the prepared Hyacinths are for indoors only.

All Hyacinth Bulbs run true to their respective size, and the smaller and cheaper kinds known merely as "Hyacinths" without a given use are eliminated in this catalog.

All Tulips, Narcissus, etc., are of the best of their kinds obtainable.

Remember, in ordering Bulbs, write plainly, and send your order early, so we may be able to send you just what you desire, for we are compelled to place our orders early too, no later than July 20th.

All prices in this catalog are postpaid any where in the U. S. A. east of the Mississippi, for all points West and Canada add 10% of amount of order.

Large orders will be sent by Express.

Small orders by Parcelpost.

Directions of planting will be enclosed by every order.

In case of change of address between sending order and time of delivery, please notify us.

Orders will be shipped immediately upon arrival from Holland.

We furnish all bulbs:

6 of a variety at the dozen rate.

25 of a variety at the 100 rate.

For quantities of \$25.00 or over, see Special Offers.

To enable us to sell these superb bulbs at these rock bottom prices, remit with order either by Check, Bankdraft, Express or Postoffice money order, or Registered letter.

If goods are not as represented return same to us at our expense, and your money will be refunded.

HYACINTHS

PREPARED HYACINTHS

These Hyacinths are specially prepared for very early forcing or planting indoors only.

We offer a few varieties of these very early Hyacinths.

They can be grown in glass vases, pots, pans, etc., in water or soil.

After planting, the vases or pots should be placed for at least 6 weeks in a **dark cool place**, for the purpose of forming roots.

After that period they may be placed in the light and the beautiful flowers will soon appear.

Never bring the bulbs into the light too soon, which may result in a failure.

First Size

	Per doz.	Per 100
L'Innocence , pure white	\$2.00	\$14.50
Lady Derby , pink	2.00	14.50
Garibaldi , red	2.00	14.50
Pot-gieter , light blue	2.00	14.50
Yellow Hammer , yellow	2.00	14.50

Miniatures

	Per doz.	Per 100
L'Innocence , pure white	\$1.00	\$7.25
Lady Derby , pink	1.00	7.25
Garibaldi , red	1.00	7.25
Pot-gieter , light blue	1.00	7.25
Yellow Hammer , yellow	1.00	7.25

The first size Bulbs are mostly taken for pots or glasses, the Miniatures for culture in pans.

SELECTED FIRST SIZE HYACINTHS

These Hyacinths are mainly used for pot-culture, and are of the highest quality obtainable, and run true to their respective sizes, names and description.

By planting bulbs at intervals of about 2 weeks, you can have the beautiful flowers in bloom all winter, from before Christmas until after Easter.

Plant only one kind in one pot with any bulbs, use no mixtures.

The following are the very best forcers:
