CERTIFICATE OF NURSERY INSPECTION

No. 811

Blacksburg, Va., Nov. 16th, 1922.

TO WHOM IT MAY CONCERN:

This is to certify, that under Act of Assembly, approved May 9th, 1903, G. W. UNDERHILL inspected the Nursery Premises of T. A. MITCHELL, Greenwood Farm, at Oyster Point, Va., on the 10th day of November, 1922, and the said nursery stock growing on said premises was found to be apparently free from San Jose scale and other dangerously injurious insects and plant diseases.

This certificate can only be used on the aforesaid nursery stock and such other nursery stock as may be purchased under the official tag of the Virginia State Board of Crop Pest Commissioners.

This Certificate invalid after September 1st, 1923

W. J. SCHOENE,
State Entomologist and Plant Pathologist.
