THE PHILADELPHIA SEED CO.

TRADE CONDITIONS: Careful study of the Spring trade on field seeds to date in this section indicates volumes of business transacted about normal. A surplus of some seeds over usual supply will be carried over as usual, but no burdensome stocks remain. The outlook for late Spring planting is better than usual and already some advance prices have been established, reflecting the early demand for such goods. 

QUICK SHIPMENT: Nearly everyone wants quick shipment just now. We have been shipping this product to you from our Wisconsin warehouse during this particular season and we and the best of our facilities for handling your orders in a reasonable time. These orders will be shipped as quickly as the demand for them will allow.

TIMOTHY: We have new 50% Iowa Timothy. All our new Timothy seed is grown under a new system of crop rotation and we are building up a good stock of seed for this season. We guarantee all our Timothy to be free from grasses, weeds, and similar material, and we stand behind our guarantee. We believe that the 50% Iowa Timothy is the best seed of this kind that is grown in the United States, and we are sure that it will produce a fine crop of grass for your needs.

RED CLOVER: We have a new variety of red clover for this season. It has been selected for its hardiness and resistance to disease, and we believe it will be a good choice for your needs.

CANADA BEANS: We have a new variety of Canada beans that has been selected for its hardiness and disease resistance. It is a good choice for any area with a cold climate.

LAWN SEED: Please note convenient packages in which our lawn seed is packed. Demand for this seed will be greater than ever this year.

CORN: We have a new variety of corn that is resistant to insects and diseases. It is a good choice for any area with a warm climate.

OLIVE GREEN GRASS: We have a new variety of olive green grass that is resistant to drought and disease. It is a good choice for any area with a dry climate.

FERTILIZER: We have a new variety of fertilizer that is balanced and contains all the necessary nutrients for your needs.

NUTRIENT MIXTURES: We have a new variety of nutrient mixtures that is specially formulated for your needs.
