Special price list of gladioli

Important Notice.

REDUCTION IN PRICES on KEMP'S WONDER GLADS.

The original prices published in our catalogue were fixed on choice selected stock, and permitted reasonable profit to dealers and ourselves. We now find, after our catalogue is off the press, that these widely advertised varieties, and their great popularity, has led to unwarranted price cutting in order to attract trade. All thoughtful growers and dealers know that such tactics will ultimately ruin any business. But to meet this condition the revised prices for the four varieties listed below will be in force until further notice.

Pink Wonder and White Wonder.
