PRICE LIST No. 15

JANUARY 5, 1923

NOTICE: All prices quoted herein are subject to confirmation, changes in stock, etc., and unless otherwise specified, are f. o. b., Sherman, Texas.

In case of advance in prices, goods will be billed to you at prices prevailing at time order is received. In the event prices are lower when your order is received, than quoted in this list, you will receive remittance to cover balance due you.

IMPORTANT: If you desire to limit us as to prices, please so state in your order. Unless otherwise instructed, if your remittance is insufficient to cover the goods ordered, we will make shipment C. O. D. for the balance; or, if you instruct us to do so, if prices are advanced, we will ship seed to equal amount of your remittance, basis current prices.

NOTICE: No reliable seed breeder or dealer can guarantee seed results, so we give no warranty, expressed or implied, as to description, purity, productiveness, or any other matter of any seeds we may send out, and will not be in any way responsible for the crop. If the purchaser does not accept the goods on these conditions, they are to be returned at once. When you receive your shipment, please examine same carefully, and, if the seed are not what you ordered, or if you have any reason to complain, you are requested to act as follows: (1) Send us samples of the seeds about which you may have any doubt, giving us your full reason for doing so, and we will promptly handle the complaint. (2) You may return the goods, being sure to send us bill of lading or express receipt, and as soon as we receive the return shipment, we will promptly and cheerfully remit you any money that may be due you on the transaction. Our experience and our reliability are the best guarantees we can give you.

Our business is conducted on a cash basis, but if you do not desire to remit in full at the time you order, we will, if your order is accompanied by remittance of one-fourth of the amount of the order, make shipment, sending the C. O. D. for balance due.

As freight and express shipments are often more or less delayed in transit, and some shipments are lost, we cannot be responsible for delayed shipments, lost shipments, or for shortages occasioned in transit on any goods sold by us, either f. o. b. shipping point, or c. a. f. (cost and freight) your station, as the case may be. We use due care to have all goods delivered to the railroad or express company in first-class condition in every respect, properly tagged and marked, etc., and after we furnish invoice and a clear receipt from the railroad or express company covering shipments, our responsibility must cease. If your shipment is not received in a reasonable time, make due allowance before writing us about it. In this event, please give us your invoice number for any delayed shipments, and we will promptly do what we can to have such delayed shipment traced.

Sherman Grain & Seed Co.

RELIABLE SEEDSMEN

SHERMAN, TEXAS

GARDEN SEED SECTION

IMPORTANT NOTICE: All prices quoted in this section are postpaid with the exception of those on Onion Sets and Garlic. Prices on these are f. o. b. Sherman. Should you desire to order any of these, to be sent by parcels post, by referring to parcels post map and table of rates in our catalog, you can easily figure amount of postage required, and include same in your remittance. Please do not fail to do this, for, otherwise, your order will be delayed.

Cotton Seed for Planting

COTTON SEED—Machine Culled, Sound, Healthy Seed

This year, in making contracts with our growers of Cotton Seed, we contracted on a Bonus Basis rather than a fixed price, and for this reason are enabled to make the following extremely low prices:

	Bushel
Mebane Triumph	1.75
Chisholm Big Boll Prolific, direct from Mr. Chisholm	1.75

SHERMAN GRAIN & SEED COMPANY, SHERMAN, TEX.

Lone Star	2.00
Early Webb	1.75
Rowden Big Boll	1.75
Kasch Strain, second year from originator	2.00
Acala	1.75
Snow Flake, Long Staple	2.75
Hallmark, Long Staple	2.00
Half and Half	2.25

All f. o. b. Sherman.

Last year, due to unfavorable weather conditions in the late fall, a good many seed were damaged more or less, and we recommend that our customers send their orders in early in order to be sure of getting the early seeds that have not been damaged by rain, unfavorable weather, etc.

You, no doubt, know the quality of seeds we furnish, and with our reputation at stake, we cannot afford to ship anything but good, carefully selected, culled stock.

If you prefer your seed now, we can ship the day we get your order.

CLOVERS

	10Lbs.	50Lbs.	100Lbs.
DWARF SWEET WHITE—A Bien- nial, attains a height of about four feet and matures three weeks ahead of the Common Sweet Clover. Is better than the Common or Tall Sweet Clover for a hay crop, as it is finer and more easily cured. Has superior soil building qualities.....	1.80	7.75	14.75
TALL SWEET WHITE—A Biennial, attains a height of about seven feet. This Clover is better for pasture as it matures later than the Dwarf. Is a good soil builder, however, not as good as the Dwarf	1.70	7.50	14.50
HUBAM CLOVER — An Annual. Makes a rapid growth, about four times as fast as other Clovers, will bloom from two to three months af- ter seeding. Fine for bees as Hu- bam honey has not been surpassed. Will yield about three times as much as other Clovers and has su- perior soil building qualities	4.90	23.00	45.00

SHERMAN GRAIN & SEED COMPANY, SHERMAN, TEX.

TALL SWEET YELLOW — A Bien-			
mal, attains a height of about seven			
feet. Makes a good pasture and hay.			
It is also a good soil builder.....	1.80	7.75	14.75
JAPAN OR LESPEDEZA — One of			
the most valuable Southern Clovers.			
Grows well on rich or poor land.			
Makes fine grazing and as it has a			
creeping habit is good to keep land			
from "washing." A great soil

MR. AND MRS. GARDEN THRIFT

A lot of people thought prices were coming down last spring and failed to plant a good sized garden. They are now listening to their thrifty neighbors proudly describing their canned and pickled vegetables arranged in neat rows of cans and sparkling glass jars along their pantry shelves.

Some of these thrifty families have gone so far as to figure what their garden saves them each summer, and the results of these figures are surprising—many families make half their table expenses each year out of a good sized home garden, and some have found that renting a vacant lot for a few dollars a year really makes their grocery savings look like a Profiteer's balance sheet.

Are you one of them?

CLUB ORDERS

In order to avail yourself of quantity prices, you and your neighbors get together and make a list of what each one will require, then lump the order, letting one member of the Club make the order in his name. To do this, you will **ALL SAVE MONEY.**
