Unadilla

Nursery Gardens

Unadilla, New York

THE 13TH YEAR

Call at 1011 Presque Isle
Binghamton, N. Y.

CHAS. A. JACKSON

Landscape Engineer

LOCATION

Just below Village of Unadilla on
State Road between Unadilla and Sidney,
twenty miles south of Oneonta; D. & H.
and O. & W. Railroads.

BUSINESS

Nursery Landscape and Horticultural,
—Trees, Shrubs, and plants at Wholesale
and Retail.

STOCK

15 Acres under intensive cultivation, valued at \$3000.00 per acre everything worth planting in hardy trees, Shrubs, Evergreens and hardy Perennial plants. We also can supply Fruit trees, small Fruits and Garden Herbs.

The Beautifying of your Home and City can be done if you are willing to pay the price, first getting adequate planting plans, suitable planting materials, determination to make such trees and plants grow regardless of failures. Increase the value of your home with attractive, artistic plantings.

The fact is now everywhere appreciated that the Treeless Landscape is like a Treeless city an unattractive and depressive site. There is no more beautiful or mysterious thing in nature than the unfolding and growth of the Hardy trees. A combination of the Deciduous and Evergreen varieties produces unfolding from the New buds and flowers in Spring to the uncomparable tints and colors of Autumn, one constant concession of marvelous effect.

WHEN TO PLANT

"Some folks plant in Springtime,
Some others plant in Fall
But the worse are those who compromise
And plant no trees at all."

We recommend Fall plantings of hardy sorts as our Fall plantings are very successful.

We offer our services in Landscape Forestry, Planting Plans, Care of Trees, Landscape Gardening.

SPECIAL INTRODUCTORY OFFER

DELIVERY CHARGES PREPAID
