APPLE ROOT GRAFTS (Ready to plant)

Place Order at Once

Apple root grafts are made by using about six inches of cion and four inches of root. They are tongued together and securely wrapped at the union with waxed thread, making the entire graft about nine inches long.

Apple Root	100 to 1M	1M to 5M	5M to 50M	50M and up
Grafts—	\$1.25 per 100	\$10.00 per M	\$8.00 per M	\$7.50 per M

Grafts are tied 100 of a variety in a bunch, we do not sell less than 100 of a variety at above prices. Terms on grafts are 1/4 of amount with order, balance upon delivery. Grafts must go by express to insure best results. Most of our cions come from bearing orchards in Colorado. The following is a list of the varieties of grafts that we can furnish:

Jonathan	Gano	Gravenstine
Delicious	McIntosh	Baldwin
Winesap	Red Astracan	W. W. Pearmain
Grimes Golden	Ark. Black	Wagner

APPLE SEEDLINGS.

We have unsold the following grades of Apple Seedlings:

Apple Seedlings, No.1, 3/16 and up, straight roots.....	\$12.00 per M
(These No.1 Seedlings run heavily to 1/4 inch.)	
Apple Seedlings, No.2, 2½ to 3½/16, straight roots.....	6.00 per M
Apple Seedlings, No.2, 2½ to 3½/16, branched roots.....	7.00 per M

Our Apple Seedlings are from French Crab seed. They are clean, strong, thrifty one year stocks of the very highest grade,

AND REMEMBER--

The above stocks are all of our own growing. We personally oversee the handling and packing. We have no two-year stocks, no storage stocks, just the very best kind of thrifty, clean, high grade, one-year stock that we ever saw grown. We grow Apple and Pear stocks exclusively—it has been our business for thirty years, and we know the business. We feel safe in promising our customers perfect satisfaction with our roots, both as to the grades and mode of handling.

When ordering Seedlings—specify whether for grafting or budding. We do not cut tops off if they are wanted for budding purposes.
