DAHLIA-DALE GARDENS

E. V. WILSON

ATHOL, MASS.

Terms:—Cash with order. Prices include delivery by prepaid, insured parcel post on orders of \$5.00 or more.

Stock of some varieties is very limited making early orders quite advisable. No green plants. No substitution unless authorized.

Tubers are guaranteed to be true to name and in growing condition **when received**. Tubers not coming true will be replaced or credit given next season; tubers not alive when received, if returned at once, will be replaced or price refunded.

We will be pleased to help you make selections, give fuller descriptions and planting suggestions.

We invite you to join the American Dahlia Society and receive the Bulletin, issued quarterly. Dues \$2.00 per year. Write William J. Rathgeber, Secretary, New Haven, Conn.

We ask part of your patronage because of the goodness of our varieties and the care in selecting, packing, and shipping the tubers.

If allowed to substitute when varieties are sold out, we will give a premium of ten per cent. on orders for twelve or more varieties, the premium to be applied towards other tubers.
