TO THE TRADE

The seeds offered in this list are grown on Long Island except where noted, and the stock seed used is from plants selected especially for this purpose.

All fields of cabbage and other seed stocks are inspected and rogued by me personally. Quality is my first consideration. Parties having special varieties or selected stocks and desiring to furnish their own stock seed are assured of having it grown with the utmost care and attention as to type and purity.

All contract orders are booked subject to crop yield, to loss or damage caused by conditions beyond our control, and in case of a short crop deliveries will be made pro rata.

TERMS OF CREDIT

All Contract Orders: Net 4 months or 5% discount in 30 days from date of invoice.

Special Quotations or Spot Orders: Net 60 days, 5% 10 days.

Unknown correspondents are requested to furnish satisfactory business references.

I give no warranty, express or implied, as to the description, quality, productiveness or any other matter of any seeds I send out, and I will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned.
