Guarantee

THE Cartwright Nursery & Floral Co. exercises the greatest care possible to keep its varieties true, and holds itself in readiness to reship any trees or plants that may prove otherwise, or refund the original sum of money paid therefor, if reported to it within one year from date of order. It is mutually agreed that it is not further responsible in any case.

Claims for poor or damaged stock, if made promptly, will receive careful consideration, and we will do everything in our power to make every customer a regular customer.

When plantings are made by us, we agree to replace, free of charge, such plants as shall fail to start into growth at the proper season, unless this failure is due to injury received by the plant after it is planted, and through no fault of ours. There is, of course, an additional charge where the planting is laid out and planted by us.

Where shipment is necessary, we make a small charge for packing, just what it costs us for labor and materials. We pack with the utmost care, and do everything in our power to see that the plants reach you in good condition, but we cannot be responsible for parcels after delivery to the public carrier. Frequently we find it convenient to deliver local orders by truck, in fact most of the local orders are so delivered, and in this case there is usually no charge for packing, and no delivery charge.

All claims for damaged stock, etc., should be made promptly, as we can not consider them otherwise.

Coniferous Evergreens

All Coniferous Evergreens are dug and shipped with a ball of dirt on the roots. This ball is bound in burlap and this treatment insures success in handling, if reasonable care is taken of the plant.

Biota Aurea Nana. Dwarf Golden Chinese		
Arborvitae.	Each	Ten
15 to 18 inches	\$2.00	\$17.50
18 to 24 inches	3.50	30.00

Thuya Occidentalis Pyramidalis. Close compact pyramid. Formal, dark green, specimens or massing.				
2 feet	2.50			20.00
3 feet	4.25			37.50
4 feet	7.00			
Thuya Occidentalis Plicata Pyramidalis. Crested foliage, good pyramid.				
3 to 4 feet	5.00			
Thuya Occidentalis Warreana. Siberian Arborvitae. Low pyramid. Gray color.				
18 inches	2.50			

Broad Leaf Evergreens

Broad Leaf Evergreens are fast coming to the front in Southern plantings, and their popularity is entirely justified by the excellent effects they produce under varied conditions. Nearly all of them do well in the shade, and they can be trimmed to any desired height, in most cases. The varieties that are marked "B & B" are dug with balls of dirt, the others are handled with bare roots.

Abelia Grandiflora. Bronze-red foliage, a mass of pink and white flowers from June till frost. Excellent for year 'round effect.

	Each	Ten
18 to 24 inches	\$.65	\$ 6.00
2 to 3 feet	.80	7.50
3 to 4 feet	1.25	10.00

Buxus Sempervirens. B & B. Boxwood. These are formal sheared pyramids.

18 to 24 inches	3.00	27.50
24 to 30 inches	4.00	

Cape Jasmine. B & B. Dark green foliage, fragrant white flowers.

3 to 4 feet	5.00	45.00
-------------------	------	-------

Eleagnus Reflexa. B & B. Green leaf with bronze reverse side. Very fine for massing.

18 to 24 inches	1.50	12.50
2 to 3 feet	2.00	15.00

Euonymus Carrieri. Narrow green leaf, low and dense, red berries in winter. Fine for massing.

12 to 18 inches	.75	6.00
18 to 24 inches	1.25	10.00

Euonymus Japonica. Glossy dark green foliage, dense growth. Most used broad leaf evergreen. Good either in masses or specimens. Can be clipped.

2 to 3 feet	2.00	15.00
3 to 4 feet B & B	3.00	

Euonymus Seiboldii. Full of red berries in winter. Excellent in mass plantings.

2 to 3 feet B & B	1.50	12.50
-------------------------	------	-------

Ilex Opaca. American Holly. Nursery grown.

3 to 4 feet B & B	2.00	17.50
4 to 5 feet B & B	3.00	25.00
5 to 6 feet B & B	4.00	35.00

Laurel-Carolina Cherry. Evergreen cherry laurel.

24 to 30 inches B & B	2.00	15.00
-----------------------------	------	-------

Ligustrum Japonica. B & B. Large green leaf, tall upright grower. Fine for background.

4 to 5 feet	1.50	12.50
-------------------	------	-------

Broad Leaf Evergreens—Continued

Ligustrum Lucidum. B & B. Dark green foliage, white flowers, blue berries.

	Each	Ten
2 feet	\$2.50	\$20.00
3 to 4 feet	5.00	40.00

Mahonia Aquifolium. B & B. Oregon grape. Holly like bronze foliage, bushy form.

15 to 18 inches	1.25	10.00
-----------------------	------	-------

Mahonia Japonica. B & B. Japanese Mahonia. Round spiny leaves in clusters of five, yellow flowers in winter, blue berries.

18 inches	2.00	17.50
-----------------	------	-------

Nandina Domestica. Japanese heavenly bamboo. Reddish bronze foliage on clumps of reed like stems. Clusters of blue berries.

18 inches	3.00	27.50
-----------------	------	-------

Deciduous Shrubs

Althea. Boule de Feu, double red. Totus Albus, pure white, single; Ardens, single purple; Single white, red eye.

	Each	Ten
3 to 4 feet	\$.60	\$ 5.00
4 to 5 feet	.75	6.00

Berberis Thumbergii. Japanese barberry.

2 feet	.60	5.00
--------------	-----	------

Buddleia. Butterfly bush, or summer lilac.

18 to 24 inches	.50	4.00
3 to 4 feet	.75	6.00

Calycanthus Florida. Sweet or spice shrub.

4 feet	.80	7.00
--------------	-----	------

Caryopteris Mastacanthus. Blue spirea.

3 feet	1.00	9.00
--------------	------	------

Cercis Canadensis. (Red Bud) Small tree, red flowers in very early spring.

4 to 6 feet	.75	7.00
-------------------	-----	------

Clethra Alnifolia. Sweet pepper bush.

3 feet	.75	7.00
--------------	-----	------

Cornus Florida. White dogwood.

4 to 6 feet	1.00	9.00
-------------------	------	------

Cornus Florida Rubra. Pink dogwood.

3 to 4 feet	2.25	20.00
-------------------	------	-------

Cornus Sibirica. For large plantings.

4 to 5 feet	.75	7.00
-------------------	-----	------

Deutzia.

Pride of Rochester, 3 to 4 feet	.70	6.00
4 to 5 feet	.80	7.00
Candidissima-Crenata, 5 to 6 feet	.85	7.50
Gracilis, 18 to 24 inches	.75	7.00

Euonymus Americana. Strawberry shrub.

4 feet	.60	5.25
--------------	-----	------

Deciduous Shrubs—Continued

		Each	Ten
Forsythia. Viridissima Fortunei.			
3 to 4 feet		\$.60	\$ 5.25
