REDUCED PRICES MIDSEASON 1924

Please Read Before Ordering

PRICES quoted herein cancel all previous quotations either by letter or in printed lists. Prices Change Every Year.

DISCOUNT FOR QUANTITIES: When Cash is sent with the order you may deduct from an order amounting to—

\$10.00—10 per cent or select \$11.00 worth for \$10.00.

\$50.00—15 per cent or select \$59.00 worth for \$50.00.

\$100.00—20 per cent or select \$125.00 worth for \$100.00.

These discounts do not apply to collections which are especially priced.

TERMS: Cash with orders under \$5.00. Remittance can be made by post-office order or express order, or by bank draft.

ORDERS: Should be sent as early as possible, as the stock of rarest varieties is limited. They will be accepted subject to stock being unsold when they are received. If stock is exhausted, we will substitute another variety of equal value and of close resemblance, or we will return the remittance, as customer may direct. No order will be accepted for less than three dollars (\$3.00).

C. O. D. ORDERS will not be accepted.

SHIPMENTS will be made by express unless we are otherwise instructed. Add 15 cents per root for stamps if by parcel post.

COMPLAINTS, if made immediately on receipt of goods, will be investigated at once, and, if due to our negligence or carelessness, will be promptly rectified. Money will be returned if any shipment is returned promptly and in good order.

YOUR BANKER will tell you that your money is as safe with me as in the bank.

ORDER EARLY as possible upon receipt of this order blank, as orders are filled strictly in order of receipt, and as there is a distinct advantage in early planting in the Fall. Cash can be sent in August, before shipment, for orders amounting to \$5.00 or less. References should accompany orders for over \$10.00. Have your order on file and secure priority of shipment. See discounts Cash above.

One-Eye Divisions

Several things should be understood about one-eye divisions. 1st. The roots are split lengthwise with a knife. 2nd. No guarantee can be given that they will grow. 3rd. You must not expect mature plants from one-eye divisions under 3 years. 4th. Amateurs should leave them alone. 5th. They are for those only who know the game. Only for fans. 6th. One-eye divisions will not be furnished. 7th. I do not believe in having my statements at all vague as to what I am selling. 8th. There is no way of planting or treating split roots to make them grow as fast or as surely as whole roots. 9th. Many are willing to wait with split roots because they get more varieties for the same money. 10th. The eyes on Peony roots are all at one end. They do not grow like split potatoes. 11th. My rule is to supply the best rather than the cheapest. 12th. My specialty is strong growing, quick blooming plants.
