The Lord God Planted a Garden

By Dorothy Frances Gurney

“The Lord God planted a Garden
In the first white days of the world,
And he set there an angel warden
In a garment of light unfurled.

So near to the peace of Heaven
That the Hawk might nest with the
Wren,

For there in the cool of the even
God walked with the first of men.

The kiss of the sun for pardon,
The song of the birds for mirth—
One is nearer God’s heart in a garden
Than any where else on earth.”
