CROW'S NURSERIES

MAX J. CROW & SON, Proprietors

Gilroy, Calif., Nov. 10, 1924

TRADE LIST

For Nurserymen, Florists and Dealers Only

PRICES are NET, subject to change without notice. PACKING ADDITIONAL.

TERMS SIXTY DAYS from date of invoice to firms of known responsibility.

Those unknown to us will please send references and establish a credit, or remit cash with order, allowing sufficient to cover cost of packing material. Interest at 7% per annum after 60 days from date of invoice.

UNLESS OTHERWISE SPECIFIED trees and plants will be dug with bare roots from open ground. Balled plants and those growing in pots are so specified. Potted plants will be transferred from earthenware pots to fibre shipping pots, or the balls wrapped in burlap, before shipment; this saves freight also the breakage and damage from shipping in earthenware pots.

ALL SHIPMENTS TRAVEL AT PURCHASERS' RISK; we will not be responsible for any loss or damage that may result from negligence, carelessness or delay on the part of forwarders or of horticultural inspectors.

CLAIMS for errors, shortages, condition or quality of stock MUST be made immediately upon its receipt; otherwise they will receive no attention.
