IRIS OF QUALITY

SURPLUS STOCK FROM PRIVATE COLLECTION

The figure before the name is the latest revised rating of the AMERICAN IRIS SOCIETY on a basis of 100 as perfection. Note that we offer no varieties rating less than 70. Those not preceded by a figure have not yet been rated. Nearly all French and English novelties are from directly imported plants. We are making a special study of varieties and all stock sold will be true to name. If an error should be made it will be willingly corrected or price refunded if promptly reported.

Prices are based on strong single divisions and prepaid delivery on orders over \$2.00. If a lesser amount is ordered add 5 cents per plant for postage and packing.

Terms: Cash with order or before delivery.

Order at Once. Our stock of novelties is necessarily limited,—only two or three plants of some of these will be spared at prices quoted. Some are here offered for the first time in America. Orders will be booked in rotation as received. No substitution will be made, and prompt return of any money sent for varieties which we cannot supply is guaranteed. Customers are urged, however, to indicate a second choice.

Delivery about July 15th or at any specified date after blooming.

Correspondence Invited. Send your list of wants. We have about 150 other varieties of which we can spare a few divisions.
