LE MARECHAL FOCH:—No. 1 \$35.00, No. 2 \$27.00, No. 3 \$22.00, No. 4 \$17.00, No. 5 \$12.00, Bulblets \$3.00 per quart. Another year's experience has proven this to be the best all-around florist's flower; the best selling Gladiolus on the market, extra early, very large flower, strong grower and blooms fine from small bulbs; a sure money-maker. I again have a very large stock of this variety and will be pleased to quote special prices on large lots.

PRIMULINUS:—All who grow "Glads" for cut flowers should try these; they come in all shades of pink and yellow, are extremely early and all sizes produce fine and very graceful spikes; prices as above.

FLORIST'S FANCY MIXED—for a number of years this has been giving splendid satisfaction; it is made up of choice named varieties and some fine seedlings of my own crossing. A few thousand to spare at \$15.00 per 1,000 for No. 1, and \$12.00 for No. 2.

I wish to thank my many customers for the fine business they have given me and the good words they have spoken for the products of "Evergreen Farm."
