FRUITS, NUTS and BERRIES

FRUITS—We have an excellent supply of the leading Varieties of Apples, Pears, Peaches, Plums, Cherries Quinces, Grapes, etc., at very moderate prices for our quality-first stock. We have furnished some of the finest orchards. We recently made a shipment of 3,000 Trees to the Pacific Coast, and our customer was so pleased that within a fortnight we received an order for an additional 10,000. We should be glad to make you quotation. Write us if you are interested.

BERRIES—We can furnish fine stock in Raspberries, Strawberries, Blackberries, etc., at prices considerably below most other responsible nursery establishments.

NUTS—With the growing demand for Nut Trees, we list a few varieties from our complete stock of varieties and sizes as follows:

		(10)	(100)
English Walnut	3 to 4 feet.....	\$12.00	\$100.00
Japanese Walnut	2 to 3 feet.....	7.50	60.00
	3 to 4 feet.....	10.00	80.00
	4 to 5 feet.....	12.00	100.00

We also quote 18 to 24 inches Seedlings \$16.00 per 100; \$140.00 per 1,000.

Pecans (Schley & Stuart varieties) fine meaty thin shell nuts 3 to 4 feet..... 18.00 140.00

Write for quotation on any other varieties in which you are interested.

GRAPE VINES FOR GRAPERIES—On early orders we can still furnish a limited number of large and fine Fruiting Vines for graperies, of Black Hamburg, Foster's Seedling and Muscat of Alexandria. These Vines are well established in large pots, and in exceptionally good condition for early fruiting. Prices \$7.50 to \$10.00 each.

FORESTRY and LINING OUT STOCK

During the past year as heretofore we furnished many hundred thousand Seedlings and Transplants, and our customers in practically all cases were pleased and satisfied, in spite of the unusually severe summer.

If you have not received already a copy of our Special List on Forestry Stock, we will be glad to mail you one upon request.

Our prices are extremely reasonable, and as we take more than a business interest in the problem of reforestation, we are always glad to make special quotations on stock in quantity.

TREE SEEDS—Particularly seeds of Evergreens—are another specialty with us, and we shall be glad to mail you price list if interested. As the season is advancing, we would recommend to any of our customers who wish to use the seed method of reforesting, to place reservations at once.

We make a special offering of Norway Spruce (<i>Picea Excelsa</i>) 3 year once transplanted 3 to 6 inches in quantities of 2,000 or more, at \$28.00 per 1,000.
