Evergreens

The tremendous demand for Evergreens this past season has used up a large part of our evergreen supply.

In the items listed below we have a fair stock. In many other items we have a few plants of several sizes but not in sufficient quantity to warrant listing.

On application we will be glad to send an itemized list of our evergreens to all those interested.

In comparing the prices of our evergreens with those of other nurseries keep in mind that our plants are frequently transplanted in order to secure a good fibrous root system, they are sheared from time to time as needed, consequently they are all bushy, well formed plants.

All of our evergreens are balled and burlapped at the prices quoted and the burlap is sewed on, not just tied with rope.
