INFORMATION

Order Early: Your orders filled in rotation. Early ordering assures you the varieties you wish.

Time of Shipment: Unless you specify shipping date, your order will be shipped about May 1st.

Substitution: We never substitute, but it is well to make a second choice of the best new varieties.

Guarantee: We guarantee all bulbs true to name, and cheerfully replace any that should prove otherwise. Kindly let us know at once.

Stock: We send only field grown divided tubers.

Notice: All orders must be accompanied with cash, money order, or check. No orders sent unless they are paid for.

Invitation: Visitors welcome to our fields at all times. Best blooms during September and October.

Decorative Dahlias

Tubers

- Alaska**—One of the best pure white dahlias of this type. Broad petaled and good stems. A fine bloomer and good garden variety\$1.00

- Rosa Nell**—A very fine decorative. A pleasing rose pink on long stiff stems, size is enormous, often over 7 inches and one of the best bloomers. A prize winner anywhere..... 1.50
- Snowdrift**—This giant white bloom deserves its name. A very full deep built flower with broad waxy petals. We consider it the best pure white yet on the market 2.00
- The Grizzly**—A velvety dark red decorative. The flowers are extra large and reflex which makes it very attractive, a rare novelty and a prize winner 2.00

- William Slocombe**—One of the best canary yellow dahlias grown. A perfect bloomer and a very good keeper. It is a well liked flower 2.00
- Wizard of Oz**—This gigantic flower is indeed a wizard with its rare shades of glowing amber, pink and soft salmon. The flowers are very large with wonderfully strong stems. The plant is all that can be desired *Plants* 7.50
- World's Best White**—This undoubtedly is one of the best white's grown. The plant and stem are as near perfection as possible. It is an extra large flower on good strong stems and a very prolific bloomer. This flower can be grown from eight to ten inches. It has won ten first prizes.....10.00
- Ysletta**—This dahlia is difficult to describe as to color, being of copper, orange and coppery tints. It is an extra large flower, good bloomer and fine stems. A very desirable dahlia 3.00
- *NO. 74**—A new decorative that is sure to be a winner. The face of the flower has irredecent shadings of picric yellow and corinthian pink with a deep rose back. All together it is a very delicate and wonderful color. Available 1925.
- *NO. 88**—We have in this new seedling a coloring that never before has been seen in a dahlia. The face of the petals is a pomegranate purple, the backs Brazil red all overlaid with a purplish bronze. Something new for 1925.

Peony

- *Albert Ward**—An exceptionally large peony flower, well formed and a free bloomer. Good stems. Color a beautiful shade of light rosolane purple at tips of petals shading darker at base. One of our 1919 seedling and a prize winner 2.00
- *Black Chief**—A monster flower of very dark velvety maroon almost black, measuring 10 inches. The flowers are borne on very long stems way above the foliage. This is one of our new prize winners. Stock available in 1925.
- Choctaw**—Extra large exhibition variety. Carried on long stiff stems. It is a flower worth having in your garden. Color is a beautiful pale mahogany 3.00
- City of Portland**—A clean deep rich yellow bloom that is both graceful and artistic. Borne upright on long stiff stems. This is a very large flower 3.50
- Cream King**—A popular dahlia of large size, soft cream coloring. The stems are long, making it an excellent cut flower..... 1.00
- *Christine Evers**—A very prolific bloomer producing blossoms on extra long straight stems. The face of petals is mallow pink, reverse rhodamine purple shading lighter at tips. Petals curl showing the two colors. A good keeper making it an ideal flower for cutting 2.50
- *Empress of India**—A very dark velvety maroon borne on extremely long stems way above the foliage. An excellent bloomer 2.00
- Gorgeous**—A beautiful yellow shading to bright scarlet. The flowers are held erect on long stiff stems. This dahlia is extra large and a good bloomer 3.00
- *Grace Cornelia**—A rich golden yellow borne on long stiff stems. Very large flowers 1.50
- Mrs. Stillman**—An exquisite shade of pink. The flower is made up of very long, slim, incurving petals that stand up in a most attractive manner 2.00

Tubers

- ***Mrs. George Sherman**—This dahlia produces very tall plants bearing immense blooms on long wiry stems. They are an odd effect in shaded scarlet over a sort of brick red with silver flecks on the outer surface giving an iridescent texture.. 5.00
- ***Mrs. Sally D. Bull**—A vary large, beautiful flower of exquisite coloring. Face of petals, yellow, reverse rose. Petals curl and twist showing both colors. One of our new seedlings. This flower has been greatly admired by those who have visited our gardens. Net.....10.00
- ***Radiant**—A peony of the most brilliant scarlet, the base and reverse of petals are streaked with picric yellow. It is a good bloomer and the flowers are extra large, and carried on good stems 2.00
- ***Spanish Queen**—Massive flower of good formation. Oxblood red, reverse silvery white. Good stems, excellent bloomer.. 2.00
- ***Sweet Lavender**—A very full peony. It is a beautiful shade of light lilac to purplish lilac overlaid with a silvery sheen. The flowers are large and it is a prolific bloomer on very long stems. Owing to short stock we can only sell this beautiful flower in green plants. Sold out 5.00
- Sweethearts' Bouquet**—A perfect flower of the peony type. Color is a unique combination of salmon rose shaded with faun, pleasing alike in both day and artificial light. Flowers are large and are held erect on extra long wiry stems. A prolific bloomer and greatly admired 2.00
- ***Uncle Sam**—The largest and most wonderful new flower to date. A prize winner wherever exhibited and the sensation at the A. D. S. Show. Color, orange buff at base of petals shading to bittersweet pink at tips. All overlaid with a beautiful golden sheen. Center petals mustard yellow streaked with deep rose pink and beautifully curled and twisted. Reverse side of petals shaded spinel red. This flower is really impossible to describe. It is immense in size measuring 8 to 10 inches without disbudding and is held erect above the foliage on stiff stems from 2 to 4 feet long. Every lover of the dahlias should have one. No home or garden complete without "Uncle Sam". Order early10.00

Hybrid Cactus

- A. C. Lawrence**—This new creation is one of the best of the hybrid cactus type. The color is a very lovely shade of pink. Its large size makes it an exceptionally good flower for exhibition purposes 3.00
- Attraction**—One of the best lavender hybrid cactus of large size and good form\$1.00
- Cigarette**—This hybrid cactus is a rare beauty. It is more vividly colored than the Ballet Girl and is equally as good. Color is a creamy white heavily edged orange. No two flowers exactly alike. Petals are long and narrow and inclined to roll. Flowers are very large on good long stem. We recommend this very highly 7.50
- ***Elsie Daniels**—A new introduction for 1923. Received a certificate of merit. The color of this wonderful dahlia is a pale orchid shade on the outer petals which are long and shaggy, the center ones are white, making a most wonderful combination of colors. The habits of the plant are all that could be desired. It grows about four feet tall and the stems are strong enough to hold the extra large flowers erect above the foliage. Available 1924. Plants \$15.0025.00
