"PLANTS THAT PLEASE"

ALL PLANTS (Non-Warranty)

While I take every precaution to have all plants true to name, we give no warranty, expressed or implied, as to description, quality, productiveness, or any other matter, of any plants we send out, and will not in any way be responsible for the crop. Every order I receive will be filled on these conditions only.

CONDITIONS OF SALE

Our prices are reasonable, considering the quality of plants we send out; guarantee full count, and render the best possible service in every way.

All Sales Cash With Order

We do not make shipments C. O. D., unless remittance has been made on account to guarantee acceptance. This does not apply to regular customers.

All plants, 50 at 100 rate, 500 at 1,000 rate. Special rates given on application on lots over 10,000. Always remit to cover parcel post charges; if in excess, the balance will be promptly refunded. All orders acknowledged same day received.

When loss occurs through our fault, we will take pleasure in correcting it without delay, but we cannot be held responsible for damages occurring in transit. Kindly give second choice, as we do not substitute without permission. A trial order solicited.
