Our 1925 Policy

Quality ~ Service ~ Dependability

To our many friends and patrons who have made it possible for us to present this, our Fourth Annual Catalogue, THE GARDEN HOUSE extends its best wishes and many thanks for the confidence they have placed in us. It will be our constant endeavor to conduct our business in such a manner as to always merit this confidence.

Our ambition at all times is to handle only merchandise of the highest standard at prices consistent with quality goods. If at any time our goods fail to measure up to the best obtainable we would appreciate knowing it.

Our stock of Seeds, Bulbs, Garden Implements, Fertilizers, Insecticides and Sundries is most complete. It is comparatively easy for us to render up-to-date service, as we have the material on hand and a competent organization to handle our business in an expedient and proper manner.

We solicit your patronage on the merits of our merchandise and the prompt, courteous service that we are able to give you.

As weather conditions and other factors over which we have no control influence the growth and life of all vegetation, we make no guarantee for the life of seeds. We do, however, guarantee to supply the very best quality seed procurable, and with diligent care and proper culture, satisfactory results are assured.

THE GARDEN HOUSE,

W. C. McCollom.

*“Say It With Flowers
Say It With Ours”*

Our Floral Department is modern in every detail and we maintain at all times a complete stock of seasonable flowers. All our made-up work is executed by thoroughly competent Floral Artists. An acquaintance with our artistic floral arrangements will convince you that they are the very best obtainable.

Grass Seed of Quality

Sow 1 lb. to 300 sq. ft., 100 lbs. to the acre

We guarantee our grass mixtures to be the very best obtainable. We purchase only seed of the highest purity and germination test, which cost more than the ordinary kind but will produce results.

TRY OUR SUNNYSIDE LAWN SEED

Putting Green Mixture

This mixture is composed of grasses especially adapted for golf greens, bowling greens, lawn tennis courts and similar purposes.

70c per lb., 5 lbs. \$3.25, 10 lbs. \$6.00,
20 lbs. \$11.00, 100 lbs. \$50.00

Permanent Pasture Mixture

A grass mixture suitable for the grazing of cattle or the laying down of fields for resting periods.

45c per lb., 5 lbs. \$2.00, 10 lbs. \$3.75,
20 lbs. \$7.50, 100 lbs. \$35.00

We carry at all times a complete line of grasses such as Canada Blue, Kentucky Blue, Red Top, Timothy, Creeping Bent, Rhode Island Bent, Chewings Fescue, New Zealand Fescue, which are bought by test and not by guess work.

Sunnyside Grass Mixture

Our Sunnyside Mixture for lawns in sunny locations is a mixture that we know will produce gratifying results on the light sandy soils of Long Island.

50c per lb., 5 lbs. \$2.25, 10 lbs. \$4.00,
20 lbs. \$7.50, 100 lbs. \$35.00

Shadyside Grass Mixture

A mixture of grasses that are especially adapted for growing in shady locations, under trees, the north side of buildings, etc.

60c per lb., 5 lbs. \$2.75, 10 lbs. \$5.00,
20 lbs. \$9.50, 100 lbs. \$45.00

Clover—White Dutch

The best clover for mixing with lawn seed or for sowing separately; the clover holds its dark green color even during the severest drought, when most other greens turn brown.

80c per lb., 5 lbs. \$3.75

Quality Vegetable Seeds

Bonfire. 2½ ft.; scarlet	.10	1.50
Zurich. 2 ft.; scarlet	.10	1.50
Patens. 2 ft. blue sage	.25	

Quality Mixture of Sweet Peas

Our mixture we know to be well balanced, being made up of equal proportions of all the best standard varieties which includes every color and shade of Spencer Sweet Peas. Pkt. 10c, Oz. 25c, ¼ Lb. 85c, ½ Lb. \$1.50, Lb. \$2.50.

Lathyrus Latifolius (Hardy Sweet Pea)

These wonderful flowers should be more generally planted. They produce flowers on long stems suitable for cutting and once planted they are there to stay. Seeds can be supplied of all colors at 10c per Pkt.; also strong flowering clumps from our nursery at 25c each, \$2.50 per doz.

Sweet Peas

The only important point to consider in cultivating Sweet Peas is to have good rich soil and sow the seed very early. March seeding is the best, because of the improbability of most amateurs starting that early, we have started in our greenhouse Sweet Peas in pots that can be set out May 1st and will do as well and even better than early outside sowings. Plants ready April 15th, 15c each, \$1.50 per doz. Pots contain 3 plants each and they should be planted about one foot apart.

The Spencer Sweet Peas are the best type to grow, the stems are longer, the flowers better developed, and in fact the entire growth is preferable to the old small flowering type. We, therefore, omit listing the older varieties. All the following varieties are the improved Spencer type.

WHITE

	Pkt.	Oz.
Etta Dyke. Very productive	\$0.10	\$0.50
King White. Long stems	.10	.60
White Spencer. Large, wavy flowers	.10	.40

Lawn Mowers

The Ideal Power Lawn Mower

The Ideal Power Mower is undoubtedly the best type of power mower now on the market. We have sold a number of these machines, and in every instance they have given satisfactory service. The machine cuts a 30-inch swath and will cut from four to six acres per day.

Our price includes delivery and a practical demonstration at your place, \$385.00.

The Ideal Jr. Power Lawn Mower

This machine is exactly the same as the larger model with the exception of the width of the cutting unit, which in this case is 22 inches, making it a very desirable machine for small property owners. The machine can cut up close to all obstructions and is easy to turn.

Our price includes delivery and a practical demonstration at your place, \$265.00.

Townsend Triplex Horse Mower

Although it is easily drawn by one horse, this machine cuts an 86-inch swath and is unquestionably one of the best machines where there is considerable cutting, such as large estates, golf courses, etc. Price delivered, \$400.00.

Hand Lawn Mowers

The Pennsylvania Jr. High Wheel Ball Bearing is unanimously conceded to be the best hand lawn mower made.

15-inch cut \$26.00 19-inch cut \$33.00
17-inch cut 29.00 21-inch cut 37.00

The Pennsylvania Golf Mower is the acme of perfection for fine cutting. It is heavy and leaves no track as the wheels never skid when the knives are revolving.

17-inch cut \$35.00 19-inch cut \$39.00
Grass box for this mower, each \$8.50.

The Great American Hand Mower is a machine made by the Pennsylvania Mower Co. A high-grade machine in every detail.

15-inch cut \$19.00 19-inch cut \$24.50
17-inch cut 22.00 21-inch cut 27.00

The Pennsylvania Putting Green Mower will cut close on all surfaces as it has a roller bearing and can be adjusted very delicately.

14-inch cut \$30.50 16-inch cut \$32.00

The Red Cloud Ball Bearing Mower is a Pennsylvania made mower. It is strong, durable and of simple construction, with the same exclusive features of the higher priced machines.

14-inch cut \$14.00 18-inch cut \$16.00
16-inch cut 15.00

Portable Grass Catcher, fits all mowers; each \$1.00.

The **Electra Lawn Mower** is a good, inexpensive, smooth-running mower. Suitable for small lawns.

14-inch cut \$ 9.50 18-inch cut \$10.50
16-inch cut 10.00

The **Pennsylvania Lawn Trimmer**, for trimming around trees, close to walls, etc. Price \$12.00.

Pennsylvania Undercut Trimmer, \$12.50.

Grass Boxes for all sizes Pennsylvania Mower.

Pennsylvania Lawn Sweeper

A very practical machine for cleaning lawns of sticks, leaves, moss, dead grass, etc. 24-inch, \$35.00; 36-inch, \$50.00.

Cultivators

Planet Jr. Edger No. 2	\$10.00
Planet Jr. No. 4D—Cultivator and seeder complete	18.00
Planet Jr. No. 31D—Seeder and single hoe	12.50
Planet J. No. 11—Double and single wheel hoe	14.75
Planet Jr. No. 12—Combined double and single wheel hoe	11.50
Planet Jr., No. 16—Single wheel hoe, all attachments	9.25
Planet Jr. No. 17—Single wheel hoe	7.75
Firefly Plow	4.00
High Wheel Cultivator No. 119 ..	5.00
Iron Age No. 301—Double wheel hoe	12.00
Iron Age No. 320—Single wheel hoe	9.00

Cyclone Seeder

Improved broadcast seeder for any kind of small seed; gives a big spread and equal distribution. Each \$3.00.

Little Wonder Hedge Trimmer

The machine that revolutionized hedge-trimming. Simple in construction, and easy to operate; this machine makes hedge-trimming a pleasure instead of hard work. Used for trimming and not "cutting back" a hedge.

30-inch cut machine\$20.00
40-inch cut machine 25.00

Portable Refuse Burner

All metal cart on wheels with ash pan; fine for burning leaves. 1 cubic yard capacity \$45.00; $\frac{3}{4}$ cubic yard capacity, \$35.00; $\frac{1}{2}$ cubic yard capacity, \$22.50.

Rebuilt Power Mowers

We have on hand at all times rebuilt power mowers of various makes. Prices and demonstration on application.

Dunham Water Roller

- No. 2. 18-inch diameter, 24-in. long; 75 lbs. empty, 300 lbs. filled; each \$23.00
No. 3. 24-in. diameter, 24-in. long; 110 lbs. empty, 500 lbs. filled; each \$26.00.

Sprayers

Auto-Spray No. 9D. The best sprayer for general work. Galvanized tank. \$6.50 each.

Auto-Spray No. 9B. Similar to 9D except tank, which is brass; each \$9.50.

Extension Rod for above, solid brass, each 60c.

Brass Strainer, solid brass, each \$1.50.

Two-Row Attachment, solid brass, 1 nozzle, \$1.50 each.

Auto-Spray Nozzle, each 80c.

Auto-Pop Nozzle, complete, each \$2.00.

Hose for Sprayer, each 75c.

Auto-Spray No. 5, double-acting; will reach trees 20 feet from the ground; all working parts brass; each \$5.00.

Knapsack for above, with shoulder straps, each \$3.50.

Auto-Spray No. 6, the best bucket pump for small spraying, each \$6.00.

Auto-Spray No. 40D, this sprayer is mounted on wheels suitable for orchard spraying; powerful pump, all brass, galvanized tank; each \$30.00.

Auto-Spray No. 40C, similar to 40D; brass tank; each \$35.00.

Auto-Spray No. 25D, galvanized tank, each \$1.75.

Auto-Spray No. 26C, brass tank, each \$1.50.

Auto-Spray No. 20E, three-jet atomizer, each \$1.00.

Jim Dandy, a new hand sprayer with an exceptional large range of spray; each \$3.25.

Pomona Spray Pump. The best barrel spray pump. All working parts are of brass and is adjustable for any size barrel. Pomona pump with agitator, \$23.00; fitted to barrel, \$31.50.

Wheelbarrow Grass Seeder

Has a 14-ft hopper; can be regulated to sow any quantity of seed; each \$15.00.

Scotch Soot, used for coloring flowers, also good as a general cleanser. 5 lbs. 75c, 10 lbs. \$1.25, 25 lbs. \$2.50, 100 lbs. \$7.00.

Salt, used for top dressing asparagus bed. 100 lbs. \$2.25.

Lime, used to equalize soil acids. 5 lbs. 25c, 10 lbs. 30c, 25 lbs. 60c, 100 lbs. \$1.50, 1 ton \$25.00.

Nitrate of Soda, a plant invigorator and tonic. Lb. 10c, 5 lbs. 40c, 10 lbs. 75c, 25 lbs. \$1.50, 100 lbs. \$5.50.

Red Dog Guano, 2-8-4, general purpose fertilizer, all soluble. 5 lbs. 30c; 10 lbs. 50c, 25 lbs. \$1.00, 100 lbs. \$2.50, ton \$45.00.

Monarch Potato Manure, 4-8-4, a good all around fertilizer, especially recommended for potatoes. 5 lbs. 30c, 10 lbs. 50c, 25 lbs. \$1.10, 100 lbs. \$3.25, ton \$55.00.

General Truck Fertilizer, 3-8-4, a special corn fertilizer. 5 lbs. 30c, 10 lbs. 50c, 25 lbs. \$1.00, 100 lbs. \$2.75, ton \$50.00.

6% Special Fertilizer, 4-8-6, a high-grade fertilizer prepared with 6% Potash. Very effective where a better grade fertilizer is required. 5 lbs. 35c, 10 lbs. 60c, 25 lbs. \$1.25, 100 lbs. \$3.50, ton, \$60.00.

Insecticides

Aphine, used as a spray for all soft-bodied plant lice. Excellent for garden or greenhouse. $\frac{1}{2}$ Pt. 35c, Pt. 65c, Qt. \$1.00, Gal. \$3.50.

Arsenate of Lead Powder, the same qualities as the lead paste; will not burn. 1 lb. 50c, 5 lbs. \$2.25, 10 lbs. \$4.00, 25 lbs. \$9.00, 50 lbs. \$15.00, 100 lbs. \$27.50.

Bordeaux Mixture Powder, a fungicide of general use. 1 lb. 40c, 5 lbs. \$1.75, 10 lbs. \$3.00, 25 lbs. \$6.00.

Cut Worm Killer, very good for protecting plants in early spring. Lb. 35c, 5 lbs. \$1.50.

Dy-Sect, an effective remedy for rose-bugs, green fly, mealy bug, etc. 4 Oz. Bottle 30c, Pt. \$1.00, Qt. \$1.75, Gal. \$6.00.

Fish Oil Soap, used for sponging plants, also wash for trees. Lb. an excellent winter 35c, 5 lbs. \$1.50, 10 lbs. \$2.75.

Fungi Bordeaux, this is a very good remedy for blight of all kinds. Try it on your peonies. Lb. 35c.

Fungine, a remedy for rust; if used in time will destroy celery rust. Pt. 50c, Qt. \$1.00, Gal. \$3.50.

Formaldehyde, used for dipping potatoes to prevent scab. Bottle 75c, Keg, 60-lb., \$20.00.

Grape Dust, used in the greenhouse and garden to destroy mildew. Try it on your Sweet Peas. Lb. 20c, 5 lbs. 85c.

Hall's Nicotine Sulphate, an excellent tobacco spray for lice and soft-bodied insects. 1 oz. bottle 35c, ½ lb. \$1.25, 2 lbs. \$3.50.

Insecto, a combination of Bordeaux lead for spring. Has high killing powers. Lb. 60c, 5 lbs. \$2.50.

Dry Lime Sulphur, used as a winter spray to kill scab and other insects. Lb. 40c, 5 lbs. \$1.75.

Nico-Fume, the standard fumigant for the greenhouse. Tin of 24 sheets, \$1.25; tin of 144 sheets, \$5.50.

Paris Green, the old remedy for potato bug, very strong. ¼ lb. 25c, ½ lb. 40c, lb. 75c, 5 lbs. \$3.50.

Melrosine, the new remedy for rose bug. Pt. \$1.00, Qt. \$1.75, ½ Gal. \$3.25, Gal. \$6.00.

Pyrox, a combination for diseases and eating insects, lb. 50c, 5 lbs. \$2.00, 10 lbs. \$3.50, 25 lbs. \$8.00.

Readeana, rose bug exterminator; this spray is used to destroy rose bugs. 24-oz. bottle \$1.00, ½ Gal. \$2.25, Gal. \$4.00, 5 Gal. \$17.50.

Scalecide, extensively used as a dormant spray for all trees. Qt. 60c, Gal. \$1.45, 5 Gal. \$6.45, 10 Gal. \$11.

Sulphocide, a very strong spray for plant diseases, especially blights. Pt. 40c, Qt. 75c.

Sulphur, used for dipping potatoes and for various blights. 1 lb. 15c, 10 lbs. \$1.00, 100 lbs. \$8.00.

Tobacco Dust, a preventative for green fly. Lb. 10c, 5 lbs. 40c, 10 lbs. 75c, 50 lbs. \$3.00.

Slug Shot, the best non-poisonous insecticide. You can use it on the cabbage, etc. Lb. box 20c, 5 lbs. 75c, 10 lbs. \$1.25.

Tobacco Stems, for fumigating, also used for poultry nests as it prevents lice. 100 lbs. \$3.75.

Tuber-Tonic, a fine fungicide for potatoes; will prevent blight. 1 lb. 60c.

Tree Wound Paint. To prevent decay and stop tree bleeding. Qt. \$1.00, Gal. \$2.50.

Tree Tanglefoot. A sticky preparation painted around tree trunks to stop crawling pests. Lb. 60c, 5 lbs. \$2.75.

Worm Eradicator, the best worm eradicator for greenhouse and golf greens. 24-oz. bottle \$1.00, 1 Gal. \$4.00, 5 Gal. \$17.50.

XL-All, liquid insecticide; this is an imported product and is the best spray for aphids. Pt. \$1.25, Qt. \$2.35, ½ Gal. \$4.25, 1 Gal. \$8.00.

Zinc Bordeaux, this preparation has strong killing qualities; excellent for potato bug. ½ lb. 35c, lb. 60c.

Weed Killer. A strong, effective poisonous solution. Applied to paths, roadways, tennis-courts, it will kill the weeds and any other undesirable growth. Two applications per season will insure a thorough job. Qt. 60c, Gal. \$1.75, 5 Gal. \$7.50.

Wilson's O. K. Plant Spray. A powerful insecticide for Green, Red and Black Aphids, Thrip, etc. 4 Oz. 40c, Qt. \$1.00, Gal. \$3.00, 5 Gal. \$10.00.

Ornamental Evergreens and Shrubs

We will gladly help you in your planting problems. It is much better for those who don't know or haven't an experienced gardener to get proper advice before planting, as it is very necessary for those who plant to understand the character and habits of plants. Appointments can be made by telephone.

Evergreens of all kinds are the best materials for permanent landscape planting. They are always attractive and give a real setting to our home and its surroundings.

ABIES

The fir family, are slow growers but attain a tremendous height. The prices range from \$2.00 upward, according to variety and size.

RED CEDARS

The common cedar of Long Island. One of the very best evergreens for massing and frontal plantings. Prices, planted on your grounds:

6 to 10 ft.	\$1.00 per ft.
10 to 15 ft.	\$1.50 per ft.
15 to 20 ft.	\$1.75 per ft.

JUNIPERS

A very diversified family of evergreens comprising some very ornamental types. We carry about ten varieties of this kind in stock. Prices from \$1.00 upward according to type and size.

PICEA

The spruce family, quick growers and oftentimes used because of their cheapness. However, for wind breaks, screens and border plantings they are most desirable. Prices range from \$2.00 upward according to sizes.

PINUS

The pine family contains some of our best evergreens, such as the Scotch and white pine, good for massing and informal work of all kinds. Prices range from \$2.00 upward.

RETINOSPORUS

The Japanese cypress family. They are unquestionably one of the best types available for house planting and massing. They are dwarf slow growers and can be clipped to confine them to a certain area. The different varieties give a wide range of colors in golden, steel blue, dark green, etc. Prices range from \$1.50 upward.

TAXUS

The yew is probably the real aristocrat of our commonly used evergreens. The dark lustrous foliage and its characteristic growth make it very popular and in great demand. Slow growing and high priced but well worth it, for those who desire something pleasing and everlasting. Prices range from \$2.00 upward, according to size and variety.

THUYA

The American Arbor Vitae, conical evergreen used in all informal groupings and can be clipped for formal work of all kinds. Good rugged evergreens for all around uses. Prices range from \$2.00 upward on the various varieties and sizes.

TSUGA

Our native hemlock; one of the most graceful of all evergreens. The fine dark green foliage and spreading habit make the hemlock very popular for all kinds of evergreen plantings. Priced from \$1.50 upward, according to size.

FLOWERING EVERGREENS

This comprises Azaleas, Rhododendrons, Laurel, Andromeda, etc. Fine for mixing in evergreen borders or for frontal groupings of all kinds. Very high in price because of their slow growth. No planting is quite complete without a few of these colorful subjects. Prices range from \$1.50 upward.

PLANTS FOR HEDGES

Berberis, one of the most popular hedge plants, 50c, 75c and \$1.00.

Privet for hedging—2-ft., 10c each, \$8.00 per hundred; 3-ft., 13c each, \$12.00 per hundred; 4-ft., 15c each, \$14.00 per hundred.

FLOWERING SHRUBS

All the various types of flowering shrubs are desirable for groupings of all kinds; in fact no place is complete without a collection of these useful and very ornamental plants. They are comparatively inexpensive and being quick growers will soon create landscape pictures that enchant any surroundings. We carry all the popular varieties, such as the Altheae, Dogwood, Deutzia, the Euonymus, Forsythia, Syringa and Lilacs, the Viburnums, Weigelia, etc. Prices range from 50c to \$1.00.

TRANSPLANTING LARGE BOXWOOD

Landscape Gardening

We have a competent organization for the prosecution of all landscape work; we design, lay out and install gardens, grounds, etc., handling such work with our own equipment, such as tractors, trucks and tree-moving apparatus of all kinds. We can handle any phase of this important task, and will cheerfully furnish estimates for this work when called upon.

Spraying

No one questions the necessity of the proper spraying of trees. We have a power sprayer which applies the spray with a pressure assuring penetration into crevices and hiding places for insect pests of all kinds. We have trained gardeners to do this work.

Pruning

The pruning of trees and shrubs is very essential to their health. No hard and fast rule can be laid down; each individual case must be handled differently. Therefore, the necessity of trained gardeners for this work is very apparent. We have them, waiting to serve you.

PRUNE FRUIT TREES FOR RESULTS
