BIGGER AND BETTER CROPS

SEED CORN There is a lot of so-called "Seed Corn" being offered. Attracted by high prices, every owner of a crib of fair looking corn is selecting his best ears to be marketed as seed corn. This corn is unsafe and is the highest priced corn you can buy. Better pay a good price for corn of known origin and variety. Our corn has been grown for us by a specialist in seed corn growing. It is not offered at bargain prices.

Reid's Yellow Dent, Johnson Co. White, Hickory King (white) and Southern Prolific Ensilage \$3.50 Bu.
