FLUSHING DAHLIA GARDENS

FLUSHING, LONG ISLAND

NEW YORK

GREETINGS TO ALL DAHLIA LOVERS

In presenting this new catalogue for 1925 I wish to thank my many friends and customers for their generous patronage during the past season. Also for the many kind letters telling of the joys of a Dahlia patch.

Sincerely yours for Success,

MAUDE M. WILSON

Full directions for planting and growing Dahlias are enclosed with each order.

Order early, to prevent disappointment, as orders are filled in rotation.

TERMS: Remittance with orders. All orders are delivered prepaid.

GUARANTEE: All tubers are sent out in growing condition, true to name. If not satisfactory, return *at once* and it will be made right or money refunded.

ANNOUNCEMENT

Our Novelties for the Spring, 1925, will include Dahlias Originated by MAUDE M. WILSON

- Glory of Flushing.** A Hybrid Cactus of great beauty; old gold shading to apricot in center, flowers measuring 9 inches across, and very deep; a heavy flower. Petals are broad, rolled and incurved; plants are very robust, 7 feet tall and bushy; wood is ebony; a very free bloomer, but slow to start. Prize Winner \$10.00
- Mrs. W. Lee Penoyar.** A decorative of perfect form, a rich velvety purple with crimson shading, reverse of petals mauve; as the flower develops the petals twist a little, showing the lining, which gives a very pleasing effect. Robust, bushy and blooms freely. A Prize Winner..... 5.00
- My Sweetheart.** A true Peony of the loveliest pure true rose pink; flowers 9 in. to 10 in.; flat, showing center but very full; a profuse bloomer and splendid keeper; plants strong stem, long and stiff; flower erect. Was awarded Seedling Cup—1921, and Blue Ribbons in every show it has been exhibited in. The most striking flower of all 10.00
- Richard Hughes.** A Hybrid Cactus of great size and beauty; rich dark crimson, petals are wavy, flowers of enormous size, 8 in., very full; plant is strong and flowers are borne on long stiff strong stems; flowers of good substance 5.00
- Rev. George Douglas.** A Hybrid Cactus of rare beauty, very rich purple to maroon, flowers of great size on strong stems; won Cup, 1922, for most beautiful flower in the show 5.00
- T. Lynton Briggs.** A Hybrid Cactus of good form. Cherry red, tipped with yellow; as flower develops the yellow is more prominent. Flower is of fine form, on long strong stems. Seedling Cup Winner, 1921, at Flushing 5.00
- Alice K. Hammerslough.** A Decorative of good form; rose pink. Flowers are very full, never shows center; petals are notched, giving a pleasing effect; stems are very strong and long; profuse bloomer 5.00
- Zaida Penoyar.** A Hybrid Cactus; dark crimson maroon, shading to black in center; very rich; very fine form on long strong stems well above the plant. Cup Winner, 1921, for most beautiful flower in the show at Flushing 5.00
- Gladys Russell.** Cactus; rose pink, shading to lavender; stiff quilled petals; flower of medium size on good stem; free bloomer 2.00
- Rattier Wild.** P. F. Pure gold, reverse cherry red; petals are long; a twist is a peculiar fashion giving it a wild effect; a very free bloomer on long stiff stems..... 3.00
- Irene T. Russell.** Hybrid Cactus; rich golden apricot. Flower is of fine form, petals are pointed and very regular; of good size on extra long stiff stems..... 5.00

Cactus Dahlia

- Ambassador.** In this we have the finest Cactus Dahlia to date. The color is a soft yellow buff, shaded salmon pink; flowers of pleasing form and enormous hize, extra long fine stems .....\$ 5.00
- Ballet Girl.** The highest English type of Cactus, but with a better stem than most of those imported. A bush will contain such a variety of blooms that it is no fun to describe it. The biggest percentage of the flowers are orange with a white edge, but there are pure orange blooms, white flowers shading to orange, white flowers, edged orange and other variations all on the same bush, All are beautiful and very large. Free-flowering..... 1.50
- Crystal.** White in center, passing to silvery pink; blooms freely; wiry stems, long twisted incurved tubular petals ..... .75

F. W. Fellows. Bright orange, one of the best grown; very large blooms, deep and of perfect form for exhibition; fine garden and cut flower variety	1.00
Floradora. Wine crimson, one of the best; good stem, very free bloomer	.25
Frances White. White florets, curling and twisting corkscrew fashion; freely produced on wiry stem all season	.75
Gladys Bates. Tan with reverse of rose; immense heavy blooms, incurved, on long straight stems, and a profusion of blooms	1.50
Jean Chazot or Gay Paree. Golden bronze; suffusion of nasturtium red; an autumn tinted Cactus; most attractive for house decoration	1.00
Magnificent. One of the best new Cactus, coming 8 inches in diameter without disbudding. The ground color is oriental buff, overlaid rosy salmon. Wonderfully free blooming	1.50
Masterpiece. A lovely shade of deep lavender; flowers of medium size on long straight stiff stems; very artistic for decorative purpose	1.50
Melody. Pure yellow, heavily tipped with white; very attractive flower, large, on good stems	.50
Minnie Baxter. Deep Maroon, very rich, almost black, intense fiery glow underlying the rich crimson, greatly admired by all; long stiff stems, free bloomer	.50
Mrs. C. Cooper. Salmon to cream white, one of the largest Cactus Dahlias, petals long, very much quilled, not much incurved; long stems; blooms freely	1.00
Mrs. Henry Randle. Cream, changing to rose, very attractive; stems wiry, flowers, pendulent	.75
Pink Abundance. Mallow pink with white shading, very fine incurved form, free blooming habit and extremely wiry growth; splendid cut flower	1.50
Pierrot. Deep amber, each petal boldly tipped with white, making it very unique and striking; flowers very large; blooms freely on wiry stems	.75
Rheinischer Frohsin. White at base of petals, changing to carmine rose; very attractive, blooms freely on long wiry stems	.75
Sliverhill Park. A beautiful new English Cactus, large in size, beautifully incurved form; strong plant and good stem	2.00
Valiant. Brilliant crimson, a giant flower carried on giant stems, perfectly incurved; florets long, narrow and twisted. Everyone should grow this fine flower.....	1.00
Wolfgang VonGoethe. Rich apricot, shaded carmine; very large	Each 1.00

Hybrid Cactus Dahlia

Admiral Grayson. Old rose, shading to silvery lavender; petals twisting, exquisite formation, on long strong stems	\$ 3.00
Attraction. Clear lavender rose, large elegant full flower, with long strong stems holding the bloom stiff and upright	1.00

Daddy Butler. Beautiful carmine rose, flowers very large; heavy rolled petals, fine stem	3.00
Etendard De Lyon. Rich royal purple, overlaid Tyrian rose, color difficult to describe; large yet graceful flower, very much admired; avoid planting near red varieties	.75
Esther Holmes. Beautiful orchid pink, flowers of fine form, on extra good stems; free bloomer	2.00
Garibaldi. Rich scarlet, flowers very full and fluffy, on good stems; profuse bloomer, particularly attractive....	.75
Gee Whiz. Soft buff shading to salmon, flowers of immense size, fine form, always perfectly double, never shows center; on long strong stem; Tall	1.50
George Walters. Salmon pink with golden sheen, enormous flower, profuse bloomer; plants are strong growers; good habit. If I could only have one dahlia it would be George Walters	.75

Kalif. Rich pure scarlet, giant flower of perfect formation, strong stout stems; very free bloomer; a most useful flower for cutting and exhibition. Tall	75
La Favorita. Dark reddish salmon in center to salmon pink at the twisted points; perfect form, long strong stem; fine cut flower	1.50
Mariposa. The color is lovely clear pink, deepening in the center, veined and suffused faint violet. It is a giant in size, being curly; incurved petals. The flowers are borne well out from the foliage on the finest of stems	4.00
Mrs. Edna Spencer. Lavender or orchid pink, of a delicate and exquisite, perfect form; long strong stem; a lasting cut flower, beautiful under artificial light	1.00
Mrs. Ethel T. Smith. Creamy white shading to lemon tint in the center. A giant flower 10 1-2 inches and a very profuse bloomer on long strong stems held well above the foliage	Tubers 1.50
Nibelungenhort. Old rose with golden apricot suffusion, large flower on long strong stems, very free	1.00
Papillon. A beautiful shade of old rose with golden light, a wonderful blending of color; stems are long and strong; very free bloomer	3.50
Regent. A clear mauve pink. American type prize winners. Blooms are 8 inches, of fine form; stems extra long and strong	2.00
The Grizzly. Dark velvety maroon, flowers large on strong stems; profuse bloomer; splendid for exhibition and cutting	2.00
Wodan. Salmon rose, overlaid with old gold; good exhibition and garden variety	.50

Decorative Dahlia

Argyle. Rich apricot, suffused with carmine, finest quality on strong stems, very erect, dwarf	\$ 1.50
Amun-Ra. Copper and orange shading to gold and amber and deepening in center to reddish bronze. An immense flower resembling a glorious sunset, on long stiff stems; a very good keeper, strong vigorous plant	2.50
Charm. (Marean). Very pleasing shade of burnt orange. Fine strong stems; good bloomer	2.50
C. W. Hayden. A fine rich purple flower of immense size, very prolific	1.00
Cambria. Rich rose pink shading to white in center, massive full flower on long rigid stems	2.00
D. M. Moore. Rich velvety maroon, free bloom, very full almost black, dwarf	.50
Della V. Potter. Lavender and pink sheen, an immense flower, a beauty, good stem and habit	1.50
Dr. Tevis. A beautiful shade of soft salmon rose, suffused with old gold, shading to a golden apricot center; flowers nine to eleven inches, held erect on fine, long, vigorous stems	.75
*The Emperor. Beautiful deep maroon, the flower is made up of long flat petals; the color does not spot under any weather conditions	5.00
Glory of New Haven. Beautiful shade of pinkish mauve, produce large bloom of perfect form with great freedom of long strong stems; indispensable for exhibition; Tall	2.00
Hortulanus Fiet. Shrimp pink suffused with gold; very large blooms on strong stems	.75
Immense. White and carmine, beautifully blended, flower of large size and very fine good stem; Dwarf	.50
