List of determinations of Chinese ferns for

Coll. by H. H. Hu, 1920.

Prof. Thaxter

Specimens of each inserted
in Gray Herbarium.

9. *Microlepia strigosa* (Thunb.) Presl
12. *Pteris serrulata* L. f.
13. *Davallia Griffithiana* Hook.
15. *Odontosoria chinensis* (L.) Sm.
16. *Woodwardia orientalis* Sw.
17. *Adiantum Capillus-Veneris* L.
21. *Lygodium japonicum* (Thunb.) Sw.
44. *Polybotrya* sp.
45. *Selaginella uncinata* Spring
46. " *Braunii* Baker
62. *Blechnum orientale* L.
63. *Dryopteris sophoroides* (Thunb.) Ktze.
64. *Pteris quadriaurita* Retz.
65. *Asplenium crinicaule* Hance
69. *Dryopteris sophoroides* (Thunb.) Ktze.
70. *Nephrolepis cordifolia* (L.) Presl
71. *Selaginella heterostachys* Baker ?
73. *Adiantum flabellatum* L.
75. *Lycopodium cernuum* L.
83. *Polypodium lineare* Thunb.
84. *Humata repens* (L. f.) Diels
101. *Gleichenia glauca* (Thunb.) Hook.
96. *Drynaria Fortunei* (Kze.) J. Sm.
132. *Polypodium Wrightii* (Hook.) Mett.
133. *Trichomanes auriculata* Bl. um
143. *Lycopodium serratum* Thunb.
154. *Microlepia* sp.
156. *Leptochilus* sp. Matched by one specimen from Hong Kong here
for which I have been unable to find a name. It is probably
the plant listed as *Acrostichum Blumeianum* (*Leptochilus lomari-*
oides) in Dunn and Tutcher's Flora of Kwangtung, but does not
seem to be that species.
157. *Asplenium Wrightii* D. C. Eaton ?
162. " *prolongatum* Hook.
169. *Equisetum debile* Roxb.
173. *Pteris quadriaurita* Retz.
176. *Drymoglossum carnosum* (Wall.) J. Sm.
177. *Asplenium prolongatum* Hook.
205. *Asplenium incisum* Thunb.
210. *Cheilanthes mysurensis* Wall.
282. *Polypodium lineare* Thunb.
343. *Woodwardia japonica* (L. f.) Sw.
344. *Polystichum aristatum* (Forst.) Presl
345. " " " "
346. *Microlepia marginalis* (Thunb.) Bedd.
347. *Diplazium lanceum* (Thunb.) Presl
348. *Polypodium oligolepidum* Baker ?
349. *Cyclophorus Lingua* (Thunb.) Desv.
350. *Polypodium hastatum* Thunb.
351. *Gleichenia glauca* (Thunb.) Hook.
352. *Polypodium hastatum* Thunb.
353. probably the rootstock of a species of *Polypodium*
497. *Polypodium Phyllomanes* Christ
518. *Pteris vittata* L.
- A60. *Trichomanes parvulum* Poir.
