CATHERINE COLEMAN—Very large exquisite pink on the La France tone, overlaid deeper pink and with a white midrib. A small throat feathering of amaranth purple on the lower petal, tends to enhance the general beautiful effect of this wonderful flower. A medal winner. 1.50 each.

DR. ELKINS—The same large showy flower as Mrs. Frank Peudleton from which it is a true sport, but the rose pink has changed to white and the large throat blotches to a fine lilac blue. A flower of distinction. 75c each. 7.50 dozen.

DR. VAN FLEET—Extra tall slender stems—carry large ruffled flowers of remarkable form. A magnificent shade of delicate rose pink, deeper at the edges of all petals. Throat softest canary yellow beautifully blended. Extra. 40c each. 4.00 dozen.
