BUSINESS TERMS

1—Prices quoted in this list do not include express or mailage; if wanted by mail, figure parcel post zone rates per pound and add this to the price quoted. Dahlias weigh about 2½ pounds to the dozen.

2—Orders from unknown parties must be accompanied by cash or satisfactory references. This rule is strictly enforced.

3—No goods will be sent C. O. D. unless one-half the amount accompanies the order.

4—No extra charge will be made for packing.

5—Six articles of a kind at dozen rates; 20 at 100 rates.

My References: Dun and Bradstreet, or National Florists' Board of Trade.

Do not ask for Freight Shipments; it is not safe.

PRICES

I do not claim that my prices are the lowest; nor have I ever coveted the reputation of running a "cheap" place. I aim to do an honest business and at the same time retain a profit on my investment. All orders intrusted to me will receive careful attention. Long lists for single items or but a few of a kind cannot be furnished at prices lower than the prices indicated at the headings of the lists.

BOX COLLECTIONS

For several years past I have put up for dealers sets of thirteen assorted varieties, unlabeled, embracing a wide range of colors—red, white, pink, yellow, variegated, etc.—no two alike. These collections are put up in a neat telescope box and are so packed as to keep without loss through the sale season. They are very handy for store trade. A great advantage is that every sale is over a dollar sale, where the customer otherwise would probably be satisfied with the purchase of a few tubers only. There is also a great saving of time in the transaction. This is not inferior stock, only I use stock that I am full handed on. These boxes retail at \$1.50 and cost the dealer \$1.00. In lots of 25 or more they will be furnished at 90c each.

MIXED DAHLIAS

"Lost Label" and surplus stocks suitable for counter trade can be furnished at \$6.00 per 100. Not less than 50 of these put up on an order.

DOUBLE GYPSOPHILA

Every Florist, Nurseryman and Dealer knows the superior quality of this popular form of the Gypsophila. It dries readily and may then be kept almost indefinitely for winter use. A few years ago I procured seed far superior to anything yet tried, in that it produced double forms in some tests ranging as high as 75% double.

I have a fine stock of these roots on which I can guarantee a double percentage of 50% to 60%. Should be set so the single forms may be cut out, leaving only the double.

Strong two-year-old roots, \$2.00 per doz.; \$12.00 per 100.

Novelties and Standard Dahlias

(See Retail Catalog for Descriptions)

If wanted by mail, add according to Parcel Post zone rates per pound. Dahlias weigh about 2½ pounds to the dozen tubers. No orders will be sent by Post unless the postage is advanced in full, neither will long lists of one or two each be furnished at less than the single piece rate.
