GREETINGS

1925

Our 1925 Catalog brings greetings to you, and we take this opportunity to express our deep appreciation for your liberal patronage during the past. We trust that you as well as our newer customers, will enjoy the greatest possible success with your Dahlias this season. We have one of the largest and best collections of Dahlias in the West. Our roots are all field grown, without being forced or over-fertilized—grown as you grow them. Our stock has been selected from the finest American and European varieties. We specialize in the latest California novelties, which in our estimation, are unexcelled.

Thanking you in advance for any orders you may favor us with, which we assure you, will be given our personal attention.

Sincerely yours,

STAR DAHLIA GARDENS.

How to Grow and Care for Dahlias

If possible, plant in open, sunny situation. Prepare the soil thoroughly by deep digging. Be moderate in the use of both manure and water. Never plant when the soil is wet. Lay the tuber flat on its side and cover it four inches deep, pressing the soil firmly on the tuber. Keep the soil loose and mellow by frequent hoeing. Cultivation is the secret of growing good Dahlias.

Three by three feet is about the proper distance to plant apart. Keep all dead flowers trimmed off.

Dahlia blooms keep much better if cut in the evening—about sunset—and the less foliage taken off with the flowers the better for both plant and flower. If green is desired, use some other green of better keeping qualities.

After frost has killed the tops, dig the tubers carefully, remove the soil from the roots, and store away in a box or barrel, secure from frost. As a precaution it would be well to cover the tubers so stored with sand, leaves or moss.

All clumps should be divided into several pieces before being reset the following spring.

To have large blooms, it is absolutely necessary to disbud, leaving only one bud to each shoot.

The Dahlia Society of California

The Dahlia Society of California is a splendid organization composed of real flower lovers. The official bulletin is issued quarterly, and it contains news of great interest to dahlia enthusiasts. It is mailed free to all members. The dues are \$2 a year. We invite you to become a member and shall be pleased to receive your application.
