TO THE TRADE

In presenting our 34th Annual Trade List, we wish to thank our many customers for the liberal trade extended us in the past and to assure you of our appreciation of your patronage, which we shall make every effort to merit.

We urgently request correspondence and trial orders from new customers, feeling confident that you will be pleased with our stock and method of doing business.

Storage—Our modern Storage Buildings are especially designed for handling Nursery Stock in the best possible manner, enabling us to get the stock to our customers in prime condition. You should consider this in buying.

Stock Handled Under Cover—We have the exposure of stock reduced to the minimum. After digging, all stock is immediately sent to our large packing house where it is graded, packed and handled under cover.

Everything offered is young, thrifty, well-grown stock and graded to the highest standard.

TERMS AND CONDITIONS

SHIPPING—Please give shipping directions, whether by freight or express, also route. If no directions are given we will forward to the best of our judgment, without assuming responsibility, as All Goods Travel at the Purchaser's Risk and Expense.

TERMS—Cash or satisfactory security, except we extend the usual terms of credit, to known responsible nurserymen. Orders to be sent C. O. D. should be accompanied by one-fourth cash to receive prompt attention.

PRICES—The quotations in this list are for the wholesale trade only, and limited to the Fall of 1925. Should prices change either higher or lower, during the season, the prices made at the time the order is accepted are expected to stand. All prices are for goods in Nursery, packing extra.

RATES—Fifty trees, of not less than ten of a variety at thousand rates. Long list of varieties of a few trees of a kind subject to higher prices. All trees above the 7-16 to 9-16 grades are tied in bundles of ten in grading. Order tens or multiples of ten of a variety as far as possible.

CAUTION—We accept all orders on the condition that they shall be void should injury befall our stock from frost, hail, fire or other causes over which we have no control.

GRADES—We grade carefully, in some cases by caliper, in others by height. When graded by both caliper and height, the caliper must govern.

GUARANTEE OF GENUINENESS—If any nursery stock, etc., proves untrue to description under which it is sold, we hold ourselves in readiness, on proper proof, to replace all such nursery stock, etc., that may prove otherwise, or refund the amount paid, but we shall in no case be liable for any sum greater than the amount originally received for said nursery stock.

CLAIMS—No claims for errors or discounts allowed unless made within ten days after receipt of goods. Correspondence and inspection invited.
