WHY THEY WERE SUCCESSFUL

Because they were cheerful when it was difficult to be cheerful, and patient when it was difficult to be patient: and they pushed on when they wanted to stand still, and kept silent when they wanted to talk, and be agreeable when they wanted to be disagreeable. That was all.

SHOW DAHLIAS

Our New Grape "Champagne" Bring California to your door! A grape as good and some say better than the famous Muscatel of California. Large luscious fruit of a flavor all its own. One of those "the more you eat the more you want" kind. A home grape--not a shipper. That circle you see in the center picture depicts a five cent piece. Some size to to that fruit! Isn't that bunch on the left a beauty? Well you can beat that all hollow with a little care. And the plants are laden down with these beautiful coppery red clusters. This is another one of those famous Hammonton introductions as that world-renowned St. Regis raspberry.
