Revised Peony Collections

Busy Months

September and October are indeed busy months for the flower lover, but they are joyous ones. Especially is this true of the Peony enthusiast for it is the time that he plans the treat of color which will bring him real pride and pleasure in future blooming seasons. Of course, we are all busy and glad of it.

The orders for the Peony Groups in my Special Collection folder have used up my surplus of many varieties, and it is necessary to withdraw all the offers and revise them with the following groups. In this list you will find exceptional values for both the amateur and advanced Peony enthusiast.

At these special prices I cannot change varieties in the collection. My usual terms will apply, cash with order, transportation charges to be paid by purchaser.

I promise prompt delivery and good healthy stock.

LEE R. BONNEWITZ,
September 23, 1926 Van Wert, Ohio.
