Peony Specialist

REMINGTON, INDIANA

Prices for 1926-'27

All former prices are cancelled. Prices quoted here are for good, healthy roots with from 3 to 5 eyes, good, standard size roots.

The 2 to 3 eye divisions will have from 2 to 3 good eyes, and equal to or better than the average 2-eye division sent out. I do not send split roots as they are very unsatisfactory. In fact, I would advise all to purchase standard size plants. Order early as some of the rare varieties are very scarce. Orders will be filled in rotation as received. Be very careful in writing your name and address plain. Send remittance with order, or satisfactory reference.

While we use the greatest care to have all plants furnished by us true to name and will replace any that may prove untrue, no sale by us carries a warranty of quality, express or implied, and for any error we shall not be liable for more than the purchase price. Every purchase from us is made on these terms.

GUMM'S HOOSIER BEAUTY DELPHINIUM SEED

The above strain was obtained by selection from Kelway's choicest named varieties. Many of the plants were nine feet tall, having spikes of bloom from 2 to 4 feet long, with individual flowers from 1½ to 2½ inches in diameter embracing all the colors and tints which the Delphinium is subject to, from the darkest shades of Royal Blue to the more delicate pastel shades. You will find this a most wonderful strain, easily raised from seed, and perfectly hardy. Package of 200 seed, 50c.

Tells about the Rose, Dahlia, Iris, Peony, Gladiolus, wild flowers and other flowers. Questions and Answers; Odds and Ends; Musings; Timely Suggestions; Wayside Ramblings; Our Birds; and many other interesting and helpful things. THE FLOWER GROWER has an editorial department and *an editorial policy*, which is strangely lacking in most magazines.
