Please Read Before Ordering

ALL stock to be sent by mail or express must be paid before sent, unless satisfactory references are furnished. Orders delivered by truck, C. O. D.

We guarantee the stock to be absolutely as represented, and be delivered promptly, whether they be delivered by our trucks or by transportation companies.

We wish to impress upon our customers that we do not sell anything but the Highest Grade of Stock. Considering quality, our prices are reasonable.

We do not guarantee plants to grow; we guarantee them to be freshly dug, shipped promptly, and true to name.

Plants planted by us are guaranteed to grow for one year from date planted.

If you wish advice in regard to planting of anything you order, ask freely. We want to help you; we want you to be successful. It is our advice and practical help given our customers that increases our sales wonderfully from year to year.

Evergreen Trees

In addition to the evergreens offered here, we have larger and smaller sizes.

Every evergreen sent out is a specimen in its particular size.

The average loss in our evergreens is less than 5%.

Deciduous Shrubs

We do not mention sizes in our Shrub list, as we do not believe it fair in many cases to judge shrubs by feet and inches. Our shrubs have had the best possible care for four and in some cases five years. They are all healthy and strong. In the very condition to be planted.

We offer larger shrubs as specimens and smaller as one or two years old, on which we will be pleased to quote prices at any time.

ABELIA grandiflora (See evergreen shrubs).

ALTHEA (See Hybiscus).

ALMOND (See Prunus).

Roses

All well established in 6 and 7-inch pots

Our Roses are the best that can be grown, and received attention so as to assure the buyer to be successful after planting. The compliments we received during the past season gives us the assurance that our efforts in giving our patrons the best in Roses is greatly appreciated. All our Roses are put in 6-inch pots and can be planted any time you wish and give results. While they are not as low priced as some, they are always lowest in price after the first year, because you do not lose them as you will other Roses, on account of them receiving careful attention and having a wonderful root system before they are offered for sale.

We believe our collection to be one of the most complete ever offered.

Hardy Ferns

This year we hope to meet the increasing demand for **Hardy Ferns**. Our collection is out of the mountains of New England, perfectly hardy. To obtain the best results, leaf mould should be used in planting them. Do not plant Ferns unless they will receive enough moisture. The Ferns listed below are all in pots and are delivered to you in as perfect condition as possible.

	Each
<i>Adiantum pedantum</i> (Maiden Hair Fern).....	\$0.25
<i>Deunstedtia punctilobula</i> (Hay-scented Fern).....	.25
<i>Dryopteris Margerolis</i> (Leatherwood Fern, evergreen)	.50
<i>Dryopteris Intermedia</i> (Fancy Fern).....	.50
<i>Osmunda Cinnamomea</i> (Cinnamon Fern).....	.40
<i>Osmunda Regalis</i> (Royal Fern).....	.40
<i>Polystichum aerostichoides</i> (Christmas Fern, evergreen)	.40
<i>Pteritis nodulosa</i> (Ostrich Fern).....	.50

The Hay-scented, Cinnamon, Ostrich and Leatherwood Ferns are the best suited for more or less sunny situations.

NOTICE: All orders of \$10 and over delivered free of charge; when we do not deliver by truck we pay all carrier charges.

Hardy Lilies

We are offering this season we believe a most complete list of **Hardy Lilies**. No garden should be without a goodly number of this wonderful assortment. These bulbs sent to you in pots, will give you a reasonable assurance of getting all that can possibly be expected.
