423 Adams Street North Abington, Mass.

Telephone Rockland 369-Y

PACKING SHED & BRANCH OFFICE

Near Abington Passenger and Freight Station

231 Centre Avenue Abington, Mass.

Telephone Rockland 1200

We are not open for business on Sundays

PLANTING SEASONS

SPRING begins as soon as the frost is out of the ground and continues until early June. Evergreens and Herbaceous Perennials can be safely transplanted until the latter part of June.

FALL—Evergreens can be safely transplanted during August and September. Herbaceous Perennials do best when moved during September and before the middle of October. Deciduous Trees and Shrubs can be safely moved after we have had one or two frosts and continued until the ground is frozen.

GROWING DEPENDABLE NURSERY STOCK IS OUR JOB. Our plants are given plenty of room to develop in the nursery row and are properly pruned as well as frequently transplanted. Therefore, our customers are assured of getting plants with good top growth as well as excellent root system. This careful attention gives us confidence that our product is equal to the best.

OUR NEW SHIPPING SHED AND BRANCH OFFICE located on Centre Avenue near the Passenger Station at Abington, enables us to give you better and more efficient service. There will always be someone in attendance every working day during the planting seasons.

LANDSCAPE SERVICE

We are indeed fortunate in securing Mr. George F. Greenleaf to take charge of our increasing Landscape Department. Mr. Greenleaf is a graduate of Massachusetts Agricultural College and Yale Forest School, and has had several years of practical experience in Landscape Work and Forestry Service.

We, therefore, can now assume entire charge of construction, planting and execution of landscape problems whether large or small. You will find our charges reasonable commensurate with service given.

Should your estate be located at too great a distance from our Nurseries to make it impractical for us to properly attend to your problem, we will be very glad to put you in touch with a Landscape Architect in your vicinity.

Nearly all Nursery Stock presents a much better appearance if pruned and cared for at the proper time. We, therefore, offer you the services of our men who are trained in this important and particular profession.

All goods are shipped F. O. B. Abington, Mass. We will make deliveries within a reasonable distance of our Nurseries and charge according to mileage and size of truck used. We have added a more complete truck equipment in order that we may give you better service.

CONDITIONS OF SALE

PRICES annexed in this catalog are given net, plus the actual cost of boxes or baling. Five of one variety will be charged at the ten rate and forty at the hundred rate where ten or hundred rates are given. PRICES SUBJECT TO CHANGE WITHOUT NOTICE.

TERMS—All orders from unknown customers must be accompanied by cash or its equivalent.

PURCHASERS SHOULD PLAINLY STATE by what route their goods are to be conveyed; otherwise we will forward them by the best way in our judgment. We assume no responsibility for delays or damage in transit. You should take this matter up with your local Express Company or Freight Agent.

WE EXERCISE GREAT CARE TO HAVE ALL OF OUR PLANTS TRUE TO NAME. We give no warranty, expressed or implied, as to description, quality, productiveness or any other matter of any Nursery Stock, Seeds, Bulbs or Plants we sell.

Nearly all nursery stock presents a much better appearance if pruned and cared for at the proper time. We, therefore, offer you the services of our men who are trained in this important and particular profession.

QUALITY—Attracts our customers.

SERVICE—Keeps them.

Are you one of them? If not, why not?

Garden Craft Furniture

Rose Arbor

*Arbors
Pergolas
Trellises
Gateways
Fences
etc.*

Made of Red Cypress with joints mortised and tenoned, where possible, others halved or gained together.

Pins, dowels, coated nails and screws are also used to further strengthen these joints.

Fence Posts are tarred where they set in ground as an additional protection against decay.

We have samples on hand of all standard designs of Artistic Garden Furniture, and can furnish anything else desired for your particular requirements.

PRICES ON APPLICATION

This is a detailed street map of Abington, Massachusetts. The map shows a network of streets including Adams St., North St., Wales St., Washington St., Plymouth St., and Abington Ave. Key landmarks are marked, such as the Green House, Adams School, Island Grove Pond, and the Branch Office & Packing Shed. Transportation routes are indicated by dashed lines with arrows, showing connections to Weymouth, Rockland, Hanover, Whitman, and Brookton. A compass rose is located in the upper right corner.
