SPECIAL PRICE LIST OF

Special Varieties

Look this list over carefully and you will see that it contains some attractive bargains of splendid plants and flowers that are hardy and should be growing in every orchard and garden.

LATHAM

Red Raspberry

Considered by many fruit growers to be the hardiest and best adapted for the northwest of any of the red Raspberries. It makes a remarkable growth of canes, does not winter kill, fruit is large and very firm making it a splendid market berry. We only have a limited supply of plants, so one should order early. Prices \$1.00 per dozen, \$3.00 per 50. \$5.00 per 100.

DELEWARE

Red Sweet Grape

As hardy as the Concord, as fine a flavor as any sweet grape that grows, why not raise them? Strong vines bearing size 25 cents each, 5 for \$1.00.

Delicious

The Worlds Best Eating Apple

Hardy as the Wealthy. A heavy bearer at an early age, can be raised throughout the northwest as well as any variety of apples. No orchard is complete without them. Two year old trees 35 cents each, 3 for \$1.00.

Bearing size. Four year old trees 65 cents each, 3 for \$1.75.

Delicious

Jonathan

One of the best keeping and cooking apples grown.

The Jonathan is being planted quite extensive in some localities in the northwest, and is considered as hardy as the wealthy, this splendid apple should be growing in every orchard.

Two year old trees 35 cents each, 3 for \$1.00.

Four year old trees bearing size 65 cents each, 3 for \$1.75.

Jonathan

Minnesota Station Plums

UNDERWOOD

Originated at the Minnesota State Breeding station, the wonder of the age in plant breeding.

Trees are dwarfish and very hardy, bear young, fruit splendid flavor, and as large as the California plums.

Will grow in any old place, every one that has an orchard or back yard should have some of these wonderful trees.

Varieties

Underwood, Red Wing, Monitor, LaCrescent, Mendota, St. Anthony. 2 year old trees 50 cts. Bearing size 75 cents each.

Zumbra

The hardest and best of all Cherries. Will grow and bear splendid fruit anywhere in the Northwest. Fruit as large as Early Richmond, trees bear young and will last as long as an apple tree.

2 year old trees 45 cents each, bearing size 75 cts. each.

ZUMBRA

NOTICE To old customers

We will replace at one half the purchase price, any tree, vine, shrub or bulb that was purchased in the spring of 1925 and died the same season, providing a new order for stock be given to the amount of the goods replaced.

Perfection Currant

Considered by most fruit growers to be the most valuable in the currant family, it is a strong upright grower making a large bush, very hardy in all localities, a heavy bearer of extremely large clusters, making it very profitable for commercial uses.

2 year old plants 25 cts. each, 5 for \$1.00.

ORDER EARLY and get the benefit of the discount COUPON. We will also give 10 improved Everbearing Strawberry plants free with each order received before

Frost Proof Cabbage Plants

Ten degrees below freezing will not hurt them. These plants are grown in the south, under very cold conditions, and have more roots than tops that is why they will stand so much cold, can be planted as soon as the frost is out of the ground.

Variety Early Wakefield, 20 cts. per doz., \$1.25 per 100. No order for less than 2 doz.

Orders should be placed at once so we can get plants to you in time.

Carrie Gooseberry

A native of Minnesota, very hardy and free from rust or mildew, very prolific, fruit large and fine flavor, bush strong, upright grower.

2 year plants 25 cts. each, 5 for \$1.00.
