Roses for the Greenhouse and Garden Bedding Plants, Ferns, Etc.

MAY AND JUNE, 1926

New Rose Mrs. F. R. Pierson

Winner of the Coolidge Gold Medal offered by President Coolidge at the Flower Show, held at Grand Central Palace, March 16, 1926, also the Gold Medal of the International Flower Show, and four other Gold Medals; The American Rose Society Gold Medal at Philadelphia, March 9, 1926; Cleveland Flower Show, Spring 1925; Horticultural Society of New York Gold Medal and Gold Medal of the Massachusetts Horticultural Society, November 1925. Also several Silver Medals and Certificates of Merit.

This is a wonderful rose, the best red rose ever introduced. It is a color hard to describe, cardinal-red, or as described by New York experts, "a crimson rose flooded with sunshine." Long pointed buds of ideal shape and fine form. Exceedingly fragrant. It has heavy, dark green foliage and strong stems.

Extra strong grafted greenhouse-grown plants (ready in June), cut of 3½-inch pots, \$1.00 each, \$10.00 per dozen, \$75.00 per 100. Planted out in the garden in June, will bloom this Summer and will make large blooming plants for another year. This variety can only be supplied in pot-grown plants.

Roses for the Greenhouse and Garden

We can supply strong, grafted, greenhouse-grown roses, ready in June, out of 3½-inch pots of the following varieties for Winter-flowering. All of these varieties can also be planted out in the garden in June and will bloom this summer and will make large blooming plants for another year.

These varieties are hardy, but like other Hybrid Tea varieties, need protection during the Winter months in some parts of the country.

Mrs. F. R. Pierson. For description and prices see first page.

Briarcliff. (Improved Columbia.) This is a beautiful, light pink rose, a sport of Columbia. The bud is beautifully formed, long and pointed, every flower opening perfectly. It is a great improvement on Columbia, with all the good qualities of its parent, with none of its faults. The color is more brilliant than Columbia, being a pure pink. \$1.00 each, \$10.00 per dozen, \$75.00 per 100.

Souvenir de Claudius Pernet. Flowers large, full, deep lemon yellow. \$1.00 each, \$10.00 per dozen, \$75.00 per 100.

America, fine pink; **Francis Scott Key**, red, very full and double; **Mme. Alexandre Dreux**, deep orange edged with yellow. 85c each, \$8.50 per dozen, \$60.00 per 100.

Double White Killarney, white; **Cecile Brunner** (Mignon or Sweetheart), own root plants only, small flowers, flesh-pink; **Mme. Butterfly**, flesh-pink, shading to salmon and yellow; **Mrs. Calvin Coolidge**, deep golden yellow which deepens into a rich orange when the flower develops; **Premier**, deep carmine pink; **Templar**, a fine red. 75c each, \$7.50 per dozen, \$50.00 per 100.
