SPECIAL FOR SEED STORES AND CUT FLOWER GROWERS

We always have a quantity of surplus dahlia bulbs, more than we need to plant, of some kinds. We do not have any poor dahlias on the farm, so these surplus ones are as fine as can be found anywhere.

To clean up this stock, we offer them for EIGHT CENTS EACH. They will be known by color only. Not named.

You will find that customers buying over the counter care very little for the name, being satisfied with color. No orders taken for less than 50, assorted if you wish.

**EIGHT CENTS EACH, F. O. B. HERE. WHY NOT TRY TEN EACH OF TWENTY KINDS FOR \$16.00
