Plants of Tennessee, Coll. Una F. & C. A. Weatherby, May, 1933.

I. Escarpment of Cumberland Plateau west of Rockwood, Roane Co., May 12.

Viburnum acerifolium L.
Gillenia trifoliata (L.) Moench.
Vaccinium vacillans Kalm
" *arboreum* Marsh.
Ilex monticola Gray, var. *mollis* (Gray) Britton (from which I cannot clearly separate *I. Beadlei*)
Gaylussacia baccata (Wang.) Koch
Asarum arifolium Michx.
Viola hastata Michx.
Epigaea repens L.
Smilacina racemosa (L.) Desf.
Luzula campestris (L.) DC., var. *bulbosa* Wood
Hieracium venosum L. (tall form with unusually leafy stem)
Krigia biflora (Walt.) Blake
Houstonia purpurea L.
Sphenopholis nitida (Spreng.) Scribn.
Stipa avenacea L.
Heuchera americana L.
Panicum commutatum Schult.
Itea virginica L.
Vaccinium stamineum L. (very glaucous form; probably = *Polycodium stamineum* var. *affine* Ashe)

II. Creek-valley near Ozone, Cumberland Co. May 12.

Leucothoe Catesbaei (Walt.) Gray
Sphenopholis nitida (Spreng.) Scribn.
Calycanthus floridus L.
Pinus Strobus L.
Euphorbia mercurialina Michx.
Miceliella verticillata (Baldw.) Briq.
Cynoglossum virginianum L.
Chionanthus virginica L.
Viola rotundifolia Michx.
Tiarella cordifolia L.
Vaccinium stamineum L. (not very glaucous in the very young stage in which it was collected)

III. Oak Barrens 7 miles east of Crossville, Cumberland Co. May 13.

Hypoxis hirsuta (L.) Coville
Rhododendron nudiflorum (L.) Torr.
Oxalis violacea L.
Salix tristis Ait.
Pedicularis canadensis L.
Antennaria plantaginifolia (L.) Richards.

IV. Rocky woods and ledges, slope of Cumberland Plateau west of Bon Air. White Co., May 13.

Hepatica acutiloba DC.
Viola rostrata Pursh
Dioscorea glauca Muhl.

Phacelia bipinnatifida Michx.
Viola blanda Willd.
Xanthorhiza apifolia L'Hér.
Arisaema triphyllum (L.) Schott
Asplenium montanum Willd.
Camptosorus rhizophyllus (L.) Link
Asarum canadense (L., var. *acuminatum* Ashe
Ranunculus recurvatus Poir.
Cynoglossum virginianum L.
Panicum laxiflorum Lam. (including *P. xalapense*)
Lithospermum tuberosum Regel
Panicum commutatum Schult.
Verbena angustifolia Michx.

V. Open woods near Sparta, White Co., May 13

Bellis integrifolia Michx.

VI. Escarpment of Cumberland Plateau near Beersheba Springs,
Grundy Co., May 13

Ranunculus alleghaniensis Britton
Senecio glabellus Poir.

VII. Open woods, escarpment of Cumberland Plateau west of Sewanee,
Franklin Co., May 14

Sisyrinchium tenellum Bickn. (probably)
Euphorbia mercurialina Michx.
Hypoxis hirsuta (L.) Coville

VIII. Shaded limestone ledge near Olive Hill, Hardin Co., May 14

Asplenium resiliens Kze.
Carex texensis (Torr.) Bailey

IX. Dry mixed woods, east of Savannah, Hardin Co., May 19

Scleria oligantha Michx.
Carex complanata Torr.
Serinea oppositifolia (Raf.) Ktze.
Festuca octoflora Walt.

X. Similar habitats, west of Waynesboro, Wayne Co., May 19

Heuchera americana L.
Asclepias quadrifolia Jacq.
Phlox amoena Sims
Chamaelirium luteum (L.) Gray
Monarda Bradburiana Beck
Euonymus americanus L.

XI. Rich wooded hillside and roadside bank, east of Olive Hill,
Hardin Co., May 19

Panicum commutatum Schult.
Boscii Poir.

Euphorbia commutata Engelm.
Frasera carolinensis Walt.

XII. Oak barrens near Lawrenceburg, Lawrence Co., May 19

Viola sagittata Ait.
Salvia urticifolia L.
Salix tristis Ait.

XIII. Roadside bank, Rockdale, Maury Co., May 19

Thaspium trifoliatum (L.) Gray
Lonicera sempervirens L.

XXV. Thin soil on ledges & banks, so. of Sugar Grove, Sumner Co., May 21

Sedum pulchellum Michx.
Asplenium platyneuron (L.) Oakes
Carex oligocarpa Schk.
" *cephalophora* Muhl.
