Price List Of The Fremont Nursery

BY EXPRESS OR FREIGHT, PURCHASER PAYING CHARGES

Spring 1927

For the coming season we are again offering our customers the very best line of nursery products that can be grown at rock bottom prices.

VARIETIES NOT LISTED—It is not possible to devote the space in either this price list or in our catalogue for listing all the varieties that we grow and handle. We have many new varieties and novelties in small numbers which we can supply if you will let us know.

In addition to this list we have a complete list with prices of evergreens which will be sent upon request and we also have a list of seedling stock for reforestation purposes for any who are interested.

NUMBER—Five trees or plants of one variety and size will be furnished at the ten rate and 50 or more, with not less than 5 of a variety and size, will be furnished at the 100 rate. Trees and plants of less than 5 of a single variety and size cannot be counted to obtain a lower rate.

PACKING CHARGE—Owing to the fact that in many cases we have reduced the single rate in this list and to the high cost of labor and materials all orders for less than \$1 must contain 25c additional for packing same.

TERMS—Cash or satisfactory reference. If you will send us good sound reference, we will ship your order and let you pay for it on receipt. We cannot send orders promiscuously without cash or reference.

SHIPPING DIRECTIONS—Always give full name and address and state how you wish your order shipped, whether by freight or express. We advise all small orders to be sent by express as a small order dries out if sent by freight and delayed a few days. Berry plants should always be sent by express. We can send small fruit plants and small sized trees by parcel post, but postage would have to be added to the cost of stock. If postage is not included, stock will be sent by express.

LARGE ORDERS—Special quotations will be made on large orders. Write us stating the quantity desired and probable varieties. Special prices on apple, peach, pear, plum and cherry in quantity.

VISITORS—Are always welcome and are invited to visit our Nursery.
