NEWTON NURSERIES

Newton, Mississippi

J. R. WOODHAM & SON

FALL OF 1926—SPRING OF 1927

Our stock this season is extra fine. Weather conditions have been good for growing all stock that should please every customer. Place your orders as early as possible. Each one will receive careful attention.

Fruit crops have been good the last three years. This will surely make the demand heavy for all kinds of nursery stock the coming season.

Prices are as low as any nursery can make. They remain the same throughout the season. Our prices are positively the same to each and every customer.

ONE PRICE ONLY TO ALL.

APPLE TREES

4 to 6 feet, each	\$.45
Per ten	4.50
25 to 50 trees, each	.40

Small trees, by parcel post prepaid, 30 cents each.

PEACH TREES

Our one-year old Peach trees are extra fine this season. No one could fail to be pleased. We have a large stock and can furnish trees in 1,000 lots. Write for special prices on 500 to 1,000 trees.

One year, 3 to 5 feet, each	\$.40
Per ten	3.50
25 to 50 trees, each	.33
50 to 100 trees, each	.30

JUNE BUDDED PEACH TREES

Are grown from seed planted in spring, budded in June, and by being highly cultivated, with an abundance of fertilizer, attain a growth of 18 to 24 inches in one season.

We have these in all varieties listed in catalog—and can recommend them as being very desirable.

18 to 24 inches, each	\$.25
By Parcel Post Prepaid, each	.27

If wanted in large lots write for prices stating varieties.

FIG TREES

One year trees, 3 to 4 feet, each	\$.50
Mailing size, prepaid	.40

PEAR TREES

4 to 6 feet, heavy, each	\$1.00
Medium size, each	.75

We have a good stock of CHINESE SAND PEAR, now called by some nurseries PINEAPPLE PEARS. They are positively the same fruit. Do not be deceived by nurseries claiming to sell a superior fruit at higher prices.

These trees are absolutely BLIGHT PROOF, and the fruit is large, well flavored, especially adapted for preserving and canning.

NO MULBERRY TREES THIS SEASON—ALL SOLD.

PLUM TREES

4 to 5 feet, each	\$.60
Per ten trees, each	.50
Mailing size, prepaid, each	.40

We have a large stock of Plum trees, of carefully chosen varieties. We can justly claim to sell plum trees of superior qualities to those offered by some nurseries. Plum trees are easily grown and will bear fruit when others fail.

PECAN TREES

5 to 6 feet, each	\$1.50
3 to 4 feet, each	1.00

If larger Pecan trees are wanted write for prices, varieties and number of trees wanted. From our experience we do not recommend setting out extra large pecan trees.

GRAPE VINES

Strong vines, each	\$.25
25 to 50 vines, each	.20
Mailing size, by parcel post prepaid, each	.25
Scuppernong and James, 2-year-old, each	.40

Be sure to plant one James grape to two or three scuppernongs to pollenize the blooms.

STRAWBERRY PLANTS

We have a good stock of home-grown plants this season. Can furnish Klondike in large quantities from Lauderdale County, Miss., and Lady Thompson and Klondike from Judsonia, Arkansas.

100 plants, by parcel post	\$1.10
250 plants, by parcel post	2.25
500 plants, by parcel post	3.00
1,000 plants, by express collect	4.50
Progressive everbearing, per 100 by parcel post	2.25

SHADE TREES

Magnolias, 3 to 4 feet, each	\$1.00
------------------------------------	--------

Can furnish Magnolias to be shipped from South Mississippi. If wanted in large quantities, write for prices, stating size and number wanted.

Lombardy Poplar, 2 years old, 5 to 6 feet, each	\$1.00
Lombardy Poplar, 1 year old, 4 to 5 feet, each	.75
Umbrella China, 6 feet and up, heavy, each	1.50
Umbrella China, 5 to 6 feet, well branched, each	1.00
Umbrella China, 1 year, 3 to 4 feet, each	.75

Our stock of Umbrella China and Lombardy Poplar is as fine as can be grown.

These large size trees are very heavy, but if you do not mind paying freight or express on them, would advise to put them out for a quick shade.

SHRUBS

Cape Jasamines—fine specimens, each	\$.75
Abelia Grandiflora, each	.50
Hydrangea, each	.50
Crepe Myrtle, two years, each	.50

LIME SULPHUR SOLUTION

For spraying. Write to the Grasselli Chemical Company, Brown-Marx Building, Birmingham, Alabama.

They will quote prices in 5-gallon cans, 30 and 50-gallon barrels. We do not keep this in stock.

Write the Plant Board, A. & M. College, Miss., for any information wanted about spraying and diseases of fruit trees. They keep up to date with all new spraying materials.

SPRAYING MACHINES

Century Barrel Sprayer, with two leads of hose and two nozzles, complete, ready for spraying, each	\$30.00
Major Barrel Sprayers, with one lead of hose and one nozzle, complete, each	20.00
Barrels not included. Any good 50-gallon barrel will do.	
THE AEROSPRAY, sprayer complete	15.00

These Sprayers will be shipped from Salem, Ohio, weight from 50 to 80 pounds.

The above are the best spraying machines we know anything about. Can find no better on the market.

Pruning Knives, each	\$1.00
