WILLOW DAHLIA GARDENS

P. B. B.

POMPTON AVENUE

CEDAR GROVE, NEW JERSEY

To Old Friends and New Customers

WE take great pleasure in presenting some new Dahlias, which we hope will give you the pleasure they have given us, and also will help you to win some of the coveted prizes at the shows this year. A word description can give but a small idea of a Dahlia, so we hope that during the blooming season you will pay us a visit and see them growing in the fields.

Sincerely,

F. R. WAITE, Jr.

Please Read Before Ordering

ORDER EARLY.—Do not delay ordering until planting time, as many varieties will be sold out. As orders are received stock will be reserved.

New Introductions for 1926

Our Own

BARBARA WAITE (Dec.) A very healthy vigorous plant, producing large well formed flowers on long, straight stiff stems. Color a beautiful shade of gold overlaid with soft pink. This Dahlia was very much admired in the Bronx Botanical Gardens where it was seen growing this year. Certificate of Merit at the New Jersey Dahlia Society trial grounds.

Tubers \$5.00, plants \$2.50

FIREFLY (Dec.) One of the most vivid Dahlias in our gardens. A fine petaled decorative of fiery orange. A very free producer of large flowers on straight stiff stems. Owing to an early frost we were unable to show this Dahlia at New York, but at the Newark show it received a lot of favorable comment.

Tubers \$10.00, plants \$5.00

ROBIN HOOD (Hyb. Cac.) A wonderful large, well formed flower of true hybrid cactus type on good stems. A splendid Autumn shade, deep terra cotta, overlaid rose, with a golden sheen to the petals. The late flowers will be as large as the early ones. Free bloomer, good growth and foliage.

Tubers \$10.00, plants \$5.00

ROSS WAITE (Hyb. Cac.) This Dahlia has been at the trial grounds under the name of "Chink," but as it is such a fine Dahlia, we decided it was worthy of a better name. A wonderfully well formed hybrid of true type. Petals twist and interlace to form a bloom of great size and depth. Stems are long, straight and stiff, carrying the flower perfectly erect. Color a beautiful clear picric yellow. Certificate of Merit at the New Jersey Dahlia Society trial grounds.

Stock limited. **Tubers \$10.00, plants \$5.00**

ROSE GLOW. (Dec.) 1925. Very large flower of deepest shade of rose with silver tips. The broad petals fold back to form a flower of great depth. Does not sunburn or bleach. Stems are long, straight and stiff, carrying flower perfectly erect.

Tubers \$10.00, plants \$5.00.

From Other Sources

ELITE GLORY (Dec.) A masterpiece from W. W. Kennedy & Sons. A mammoth real new red that has won prizes at every show. High scores at all the trial grounds. Tremendous in both flower and growth; flowers fifteen inches across are not uncommon.

Tubers \$25.00, plants \$10.00

KING SOLOMON (Hyb. Cac.) A beautiful orange buff or golden orange with an iridescent sheen on the curled and twisted petals, forming an exceptionally artistic Dahlia; stem extra fine; very floriferous, and it can truly be said, Solomon in all his glory was not arrayed as beautifully as this Dahlia.

Tubers \$10.00, plants \$5.00

LUETTA (Mrs. Waite) (Dec.) Very fine light yellow on capital stems.

Tubers \$10.00, plants \$5.00

J. B. WAITE (Starr) (Dec.) Huge deep lavender with broad curling and twisting petals. A free bloomer on good stems.

Tubers \$10.00, plants \$5.00

New Introductions for 1926—*continued**From Mr. W. H. Waite*

JERSEY'S CAPRICE (Dec.) One of the Autumn shades that is hard to describe, being a mixture of buff-orange and gold flowers, large, of good form, stems rigid, holding the flowers erect. **Tubers \$10.00, plants \$5.00**

JERSEY'S DELIGHT (Hyb. Cac.) The color of this variety is a fine shade of old rose-pink, flowers medium in size and borne on stiff stems.

Tubers \$10.00, plants \$5.00

JERSEY'S EMPRESS (Dec.) Anthracene violet in color, the flowers, which are large, having a very pleasing formation, the petals being narrow and wavy; the color is practically sunproof.

Tubers \$10.00, plants \$5.00

JERSEY'S IDEAL (Dec.) The color of this variety is best described as lavender-pink, although sometimes it is nearer lavender; the flowers are usually borne face up on top of the stem; it is a large flower, having long, broad petals which gracefully fall, making a very deep flower; it has ideal stems.

Plants only \$5.00

JERSEY'S SUPREME (Dec.) A very pleasing shade of clear Laelia pink; the flowers are of medium size, it is a very free bloomer, the stems slender but stiff.

Tubers \$10.00, plants \$5.00

ISOLINE (Peony). (Kahle). This is a charming new Peony variety, in color ivory white, with a creamy yellow suffusion. Unlike most of the Peony varieties, it has a splendid stem; the flowers are large and of perfect formation.

Tubers \$5.00, plants \$2.50
