Prices, subject to change.

Terms: Due net May 1st. 1½ % discount for cash in 10 days from date of invoice.

F. O. B. Madison. Bags extra at value.

We give no warranty, express or implied as to description, quality, productiveness or any other matter of any seeds, bulbs, or plants we send out and will not be responsible for the crop.

On some varieties of flower seeds we quote **Trade Packets** which contain three times as much seed as our catalog packets.

But for years we have used three catalog packets with which to fill an order for a trade packet and will follow that custom again this year.

GLADIOLI:

Olds' Superb Mixture. A blending of many colors including most of our named varieties. Per 1,000, \$22.00; 500 at the thousand rate.

Primulinus Hybrids Mixed. Delicate colors, attractive, graceful, unsurpassed for vase flowers. Per 1,000, \$20.00; 500 at the thousand rate.

RHUBARB ROOTS:

We are headquarters for the best outdoor grown rhubarb roots. In quantities of hundreds or more at \$7.00 per hundred.

HORSE RADISH ROOTS:

Many people do not understand about the planting and propagating of horse radish roots. These are propagated from cuttings. These cuttings we tie in bundles of one hundred. When planted in the ordinary way will produce good marketable roots the second year. We have a good supply on hand and can furnish the roots in quantities of one thousand for \$8.00.

ASPARAGUS ROOTS:

The MARY WASHINGTON GIANT RUST PROOF is taking the lead everywhere. We can furnish you the Columbian Mammoth White or the Palmetto but we advise the Rust Proof not only because it is rust proof but because of its better quality and productiveness. One year old roots, \$9.00 per thousand; two year old roots, \$12.00 per thousand; 500 at the thousand rate.

VEGETABLE and FLOWERING PLANTS:

In order to give more complete service to those we serve as dealers, we are offering vegetable and flowering plants this year but are not quoting prices at this time. Kindly refer to page 87 of our regular annual catalog a copy of which you have, prices from which you as dealers may deduct 25%. These prices are for early orders. Later on in the season when we have plenty of hardy outdoor plants, the prices will be considerably less owing somewhat to crop conditions. We will be glad to quote you on your requirements.

FROST PROOF ONION PLANTS:

These are the southern grown Bermudas and there is absolutely nothing better. Crates of 6,000 prepaid to you by express, \$6.00.
